Summer Activities of HP Students:

There is always one thing that students can daydream about during the teachers' lectures — and it's summer vacation. Although every student has the same time to spend during the summer, every single one will spend that time a little differently.

Some of HPHS's students will sleep away during their vacation. Gayden Beard, however, will be seen lounging at the Dallas Country Club pool and other gorgeous sun goddesses will join her. Other senior women and various daring underclassmen will venture to the SMU pool for their ultimate tans. Some lazy students prefer their backyards to the pool scene. After watching the kids and then chowing down on some awesome food, Jenny Bernet's house is a favorite among the senior women. Stacy Jacobs and Terri Armstrong are there often, bagging the rays and Tiffany Slayton is there also. Various other houses claim fame as the backyard scene. Marlow Muldoon's pool is a sight to see. Anyone daring to drive into that pool would be wise to realize that they are facing the unknown and facing the consequences. David Wertheimer's house also has a pool, and many senior women have been seen tanning at Dave's.

Not only does lounging at the various pools around HP intrigue many students, but working at them seems to be a favorite. Clay Stanton seems to enjoy lifeguarding at Brookhollow Country Club. Laurie Schoonover went for a classier route by lifeguarding at the Marriott. Although she doesn't work at the pool, Gwen Atwood seemed to like the employees (one in particular) at the UP pool a few summers ago. Swimming to keep cool is a must in the Dallas heat. But some

claim. Top honors went to the Highlander staff at Yearbook camp in Stephenville (Leslie Dickinson was offered a scholarship there). The staff received the Vogue award — a top award, considering the competition. The football team went to running camp (more like fainting and throw-up camp).

Moerschell), Courtney Bobbitt (Ms. Sophistication), Marea Lange, Danny Stansbury (excellent hats) and Peter O'Brien (incredible hats). This was a class of leaders. The cheerleaders were great. The Highlander was the best ever. And Country Club actually had programs (thanks to

citing experience or a long wait in anticipation of college. One aspect of senior woman life is that of leadership. Wendy Kopp, senior and editor of the Bagpipe, has been involved with the staff for years. So has Kathy Huston, who is also a senior editor of the Bagpipe. These two girls form opinions of school life, based on experiences and

devote many hours developing their talents at HP's fine facilities.

Let's start at the hub of the sports world at HP. Doug Gibbons, the trainer at HP sees many students each day. Lee Roever and other trainers assist him at the football games. All students on sports team have access to his service. Gigi Dawe is often there, nursing her shoulder. Wayne Clements and John Stollenwerck are lurking around with tiny electronic boxes that Coach Gibbons craftily sticks on them. LuAnne Staley often soothes her track shin splints at the whirlpool. Richard Scoggins lets Coach Gibbons nurse his knee. Not only does the training staff nurse injuries, its members tape and wrap fingers, knees, ankles, and hands to prevent injuries.

While we are out at the stadium, let's pursue other sporting events. The girls' and boys' soccer teams also use the million dollar stadium to play their games. Early in the morning the girls drag themselves out of bed to practice. Jenny Bernet's broken finger doesn't stop her from attending practice. The drill team, who also uses the field in the morning, doesn't even stop Ann Acton from practicing her dribbling skills. The boys' soccer team uses the field after the football team completes its season. Payne Lancaster and David Thompson are seen practicing daily, as is the rest of the team. One wonders if Jimmy Holmes gives the soccer team emotional speeches like he gives the student body at pep rallies.

Thank Goodness For That Extra Point!

The Extra Point in almost any situation makes the score just high enough to make a winner come out on top. Not only is this true on the football field, where an extra point gained by a kick after the touchdown can pull a team out of a tie, but this is

Rigorous Summer Training Camps For HP Students:

Summer camp was fun, but the working groups at HP went to camp also to learn about their respective fields. The HP Wheat Thins traveled to SMU (as if the girls didn't drive there often enough anyway) for Drill Team Camp. High honors went to Tina Bernet, Shannon Kelly, Gypsie Fulgham, Angie Wetzel, Laura Norman and Ashley Mo-

Class of '85: the Best Ever!

Needless to say, this was the best class ever to come through good old HPHS. Isn't that what they say every year? The class of 1985 was "truly dazzling." There were so many outstanding individuals recognized for such different accomplishments. There was George Seay (Mr. All-American apple-pie boy), Glen Macdonald (Mr. Individuality), Wendy Kopp (Ms. Everything), John Stollenwerck, (another Rob

RISE IN EMPLOYMENT

The EPA has found unexpectedly widespread underground pollution in Silicon Valley, the hub of California's computer and electronics industries. Preliminary results of an agency study indicate that about 1,300 sources of contamination may be threatening underground water supplies in Santa Clara County. (Story on Page 4)

A congressional agency challenged the government's plan to build a permanent manned space station by the early 1990s. The Office of Technology Assessment said the orbiting station NASA now is designing can't be justified. It portrayed NASA as promoting the project as a way of preserving the agency's future. Chilean riot police surrounded eight Santiago universities and colleges as students protested a week-old state of siege. Meanwhile, police said that 103 alleged "anti-socials" arrested in last weekend's government crackdown on dissent had been sent to a remote prison camp for 90 days, raising to 359 the number of detainees there.

The Air Force has conducted the second test firing of its new air-launched anti-satellite missile, the Pentagon said. An F-15 jet fighter over California fired the unarmed ASAT missile in the first test of its infrared

Hot air can also be a hazard. In the old days, savvy players seeking a small edge on their opponents placed their balls in the sun before serving. The heat increased the pressure in the ball and made it bounce higher, giving the server an advantage. Now, to keep bounce consistent, major tournaments keep balls by the court in portable refrigerators.

Beating Back Imports

Attention to details such as fluff and fridges has made the tennis ball one of the few American products to successfully resist imports. In the early 1970s, when the tennis boom sent sales soaring to 12 million dozen balls a year, imports from Korea, Taiwan and Europe bounced into the market. But the American manufacturers rallied. They replaced classic white balls with easier-to-see colors, primarily yellow, and they gave their balls more speed and bounce than the foreign product.

Now Wilson and GenCorp's Penn Athle-tics Products Co. each claim to have about 30% of the domestic market. "That arithmetic would seem to exclude all other manufacturers, and that's not the case," says Benjamin Iddak, assistant general counsel of British-based Dunlop Holdings PLC's U.S. unit. Mr. Iddak won't say what Dunlop's market share is, because he company is in

SCHOOL BOARD

NEW AMENDMENT DISCUSSED

The HP School Board was very busy during the 1984-85 school year. The members devoted many hours to the study of the new House Bill 72, which promised to bring a lot of changes to education. As board member Bobby Reed commented, the house bill will affect HPISD adversely in one way, as much of our state funding has been taken away. The bill will also have a negative effect on athletics and other extracurricular activities because of stricter eligibility requirements. But HP's already high academic standards will

not be affected, stated Mr. Reed.

Another facet of HB 72 that concerned the School Board was the idea of merit pay for teachers, a question the board has already considered in past years. Under the new system, deserving teachers could be paid up to \$6000 more than at present. Methods of determining merit have not been determined as yet. Mr. Reed stated that he feels the merit pay system would give support to the already outstanding teachers in the school district.

One: Mind-boggling decision: Dr. Winston Power, superintendent, discusses this year's changes. Two: Dr. John Eisenlohr reports on his trip to Austin. Three: Mrs. Ann Smith listens to discussion of the house bill. Four: Mr. Jack Davis ponders the issue.

PRINCIPAL

A NOTABLE PRINCIPAL

Tom Munroe

Tom Munroe, the principal at Highland Park, has been in the school system for 23 years, starting his career as a mathematics teacher at HPHS. After serving as assistant principal, Mr Munroe became principal of Hyer Elementary School, and 1982 saw him return to HPHS as principal

These days Mr. Munroe is being kept busy by the House Bill 72, which is bringing a lot of changes to education in Texas. Teacher evaluation will be different from other years, since each teacher will be rated and placed on a certain level of the teaching ladder. Students are also being made to "toe the mark" scholastically, although Mr Munroe feels that HP students are already superior to other high

schools

Mr. Munroe values the commitment that students and their parents are willing to make towards getting a good education at HP. His main concern is that conditions are right for quality instruction to take place

Mr. Munroe is busy all year round, even in the summer, when he supervises summer school, keeps his eye on housekeeping chores in the school, and interviews new teachers. In his spare time, he enjoys cooking and spending time with his wife Sara, who models for the Kim Dawson Agency. His oldest daughter is a University of Texas graduate living in Austin with her husband, while his youngest daughter is a junior at the University of Virginia

ALL SMILES FOR H.P.

Mr. Don O'Quinn taught physics for 13 years at HP before becoming vice principal a position he has held for 3 years. Mr. O'Quinn describes his job as basically "problem solving," although discipline is also a big job. He feels that the advent of the computer is the biggest change that has affected his job in recent years.

Mr. O'Quinn has the highest opinion of HP students, even though he always notices a

distinct change in seniors as graduation approaches.

A graduate of Stephen F. Austin University, Mr. O'Quinn is currently working on his doctorate at the University of Texas. He enjoys reading in his spare time, as well as hunting, fishing, and working on cars. But he reserves most of his leisure hours for spending time with his family, including his five active children.

FIVE YEARS AT H.P.

Miss Claire Anderson, assistant principal for grades 9 and 11, is looking forward to her "five year pin" at HP this spring. Miss Anderson, originally from Austin, earned her degrees at the University of Texas. Prior to coming to HP, Miss Anderson taught for eight years in grades 7, 8 and 11. Having recently bought a house, she now counts yard work as one of her spare time activities, though she also likes to hunt for antiques and to attend sports events. Her recent experiences

with hot air ballooning have made her a devoted fan, and she has attended hot air ballooning shows in New Mexico for two years. Miss Anderson remarked, "I really enjoy working with HP students. It's nice to be a part of a school where such a high percentage of the students go on to college, and most parents are supportive of the school system." Her long range goals may later include a step to the administrative office, or back into the classroom.

Pat Plettner

In her second year as the Chemical Dependency Co-ordinator for the HP School District, Mrs. Pat Plettner has seen her efforts to educate students about drugs grow into a full-fledged program called Right Turns that encompasses even the elementary schools. Acting on the assumption that it is never really too early to learn about drug and alcohol abuse, Right Turns has set up programs where high school students will travel to the elementary students to hold programs letting youngsters know that it is "OK" to turn down drugs and liquor.

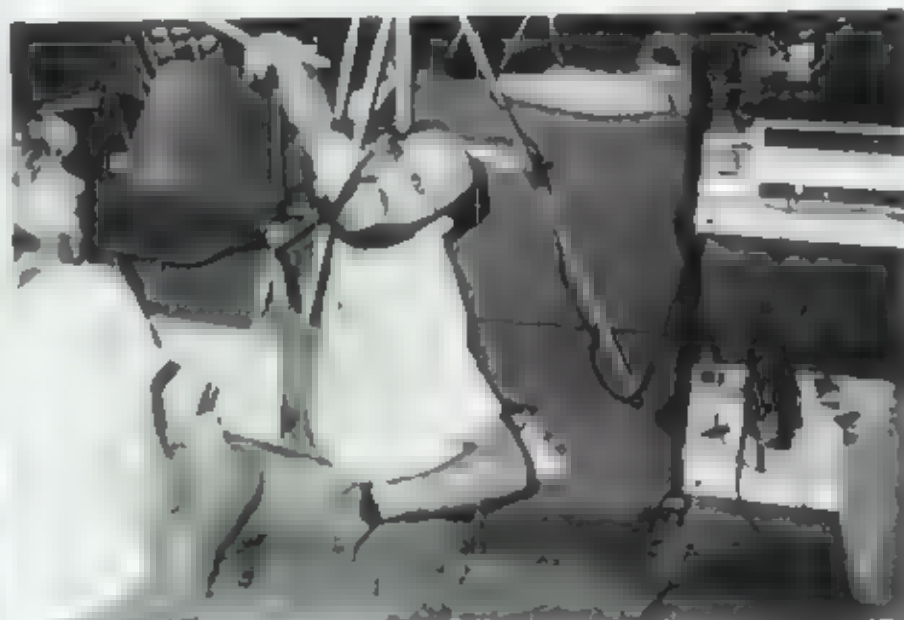

Mrs. Plettner's crowning achievement since coming to HP was Right Turns '84, a drug abuse workshop that was held in August before the beginning of school. Attended by students, teachers and parents alike, the 4-day

workshop consisted of mini-communication labs, films, discussion groups, and just plain get-togethers that showed people how to detect drug abuse, how to deal with friends and relatives who were having alcohol problems, and how to simply show one's friends and family that they matter as humans. Since then, two more weekends of such seminars were held and Action Plans were formulated for presenting anti-drug programs to other schools.

Formerly of Green Bay, Wis., Mrs. Plettner makes sure her office door is always open to students so that they can come by merely to chat. Shunning the title of Chemical Abuse Counselor, she states that she is interested in all the students and wants to help them with their problems.

SUMMER

A Great Summer for HP Students

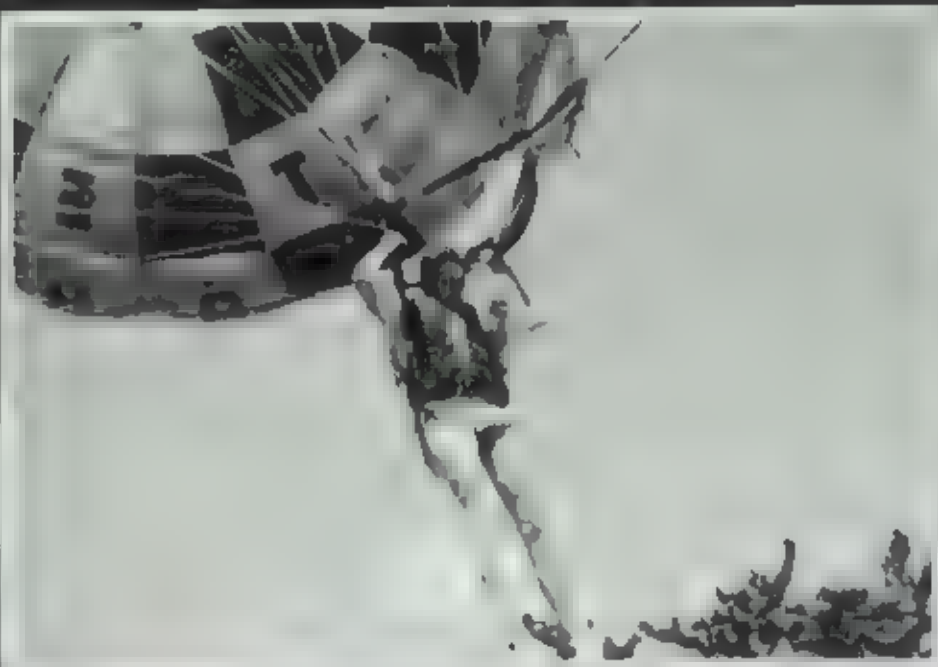

Most students were happy to be pampered from HP after 36 long weeks at school. Others were faced with the start of another six weeks of school, then summer school variety. Some Scots chose to brave the heat at summer jobs, such as camp counseling, life-guarding, and construction work. The yearbook staff headed for rowdy Stephenville for a journalism camp, while others roamed around Europe with AIFS tours led by Mrs. Theriot, Mrs. Kyle, and Dr. Puckett. Students who chose to stay in Big D jammed stadiums and coliseums to see Michael Jackson, Van Halen and Julio

Iglesias in concert. Beyond Marion and the annual Jekyll Island trip highlighted some students' summer. The PCBC youth group found itself in Paraguay for a workcrew experience. As the summer days drew to a close, Scots looked forward to the beginning of school and the ending of a long heat wave. Hi-Lites planned their annual picnic to welcome nervous freshmen. The new Right Turns group held a retreat in Grapevine to discuss methods of dealing with drug abuse and the tensions of everyday life. The meeting was so successful that later retreats were also planned.

September

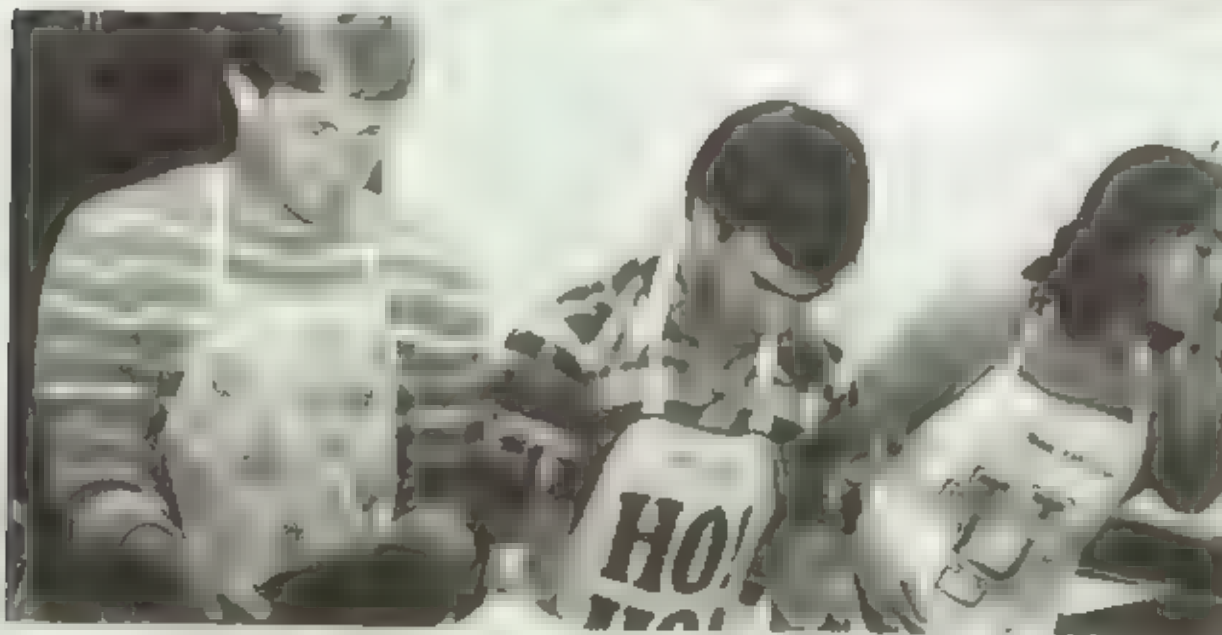

School days were, alas here again and the big change was that there were more students than ever before. Students studied and groaned over HB 72, which was destined to have a big effect on students' lives, especially attendance and grade-wise. Young Life almost decided to start a new chapter K-Life, made up of Kankomo and Kanakuk campers. The football team had a rude awakening when they were defeated by MacArthur High on Sept. 8. Upper-classmen moaned that freshmen were smaller and more pesky than ever, while freshmen spent their days trying not to get lost. Ninth, tenth and eleventh graders lined up to have their class pictures taken, and a Club Assembly made all students aware of the various organizations that existed at HP. Of course the annual Howdy Dance was held on Sept. 21 and the seniors jammed at the Come Alive party on the 28th to start off the round of senior parties this year.

October

Halloween and Hi-Lites Month

October proved to be an exciting and "scary" month for HP students and teachers. The first weeks were filled with academic priorities, but soon the time was also filled with fun activities. Texas-OJ weekend was a festive one even for those not feeling patriotic about either team. Homecoming Queen nominees were announced at the Oct. 12 pep rally. The first Hi-Lites dance was held on Oct. 13, along with the SAT test for concerned seniors. The 14th saw the Hi-Lites Tea for moms and daughters, and also saw the beginning of the rainiest three

weeks HPers had ever seen. Students tried to keep their "damp" spirits up by having a welcoming party for new members of Right Turns, the drug-awareness group. In the midst of football triumphs, basketball workouts began on the 22nd, and the Drama Department slaved away on its "Simon Sampler" production. To top off the month, the Key Club opened their Second Annual Haunted House for the last three days of October, spooking children and adults alike with a tour through a "Domicile of Death."

November

Playoffs Begin, Homecoming Queen Crowned

November was off to a roaring start with Homecoming victory on November 2. The next night saw the coronation of Stacy Jacobs as Homecoming Queen at the dance in the gymnasium. The Leo Club dominated the Hi-Lites at the annual Olympics on November 7, which featured such outstanding events as and . Football season ended on November 9 with a disheartening loss to Wilmer Hutchins, but luck was on the side of the Scots as the team slipped into a playoff

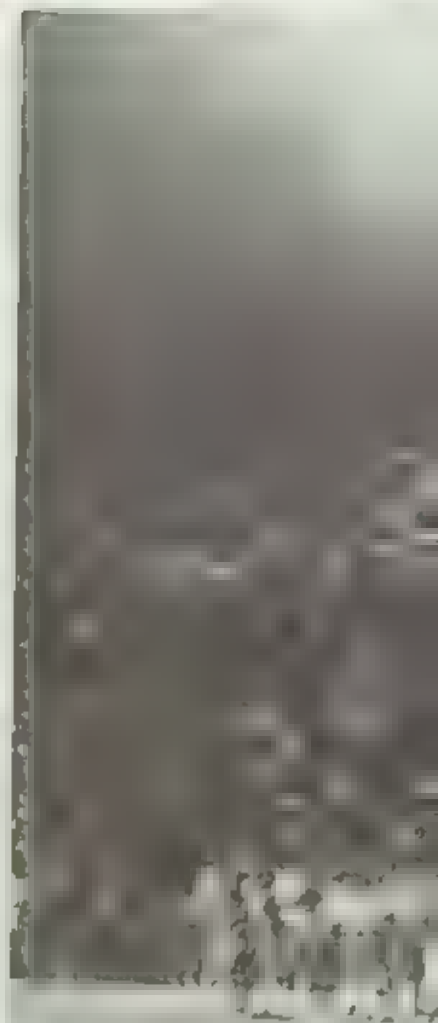

berth and won over Roosevelt High on the 16th. An awesome victory over Plano on the 24th brought the Scots one step closer to State and showed one and all that H.P. was a team to be reckoned with. The Thanksgiving break brought sighs of relief to study-weary students, but even returning from vacation was cheerful when the Scots won at football again on the 27th and moved even closer to the championship.

January

Ice and Snow Highlight January

With lingering memories of New Year's Eve still fresh in their minds, HP students skidded to school on the ice that delayed school on the 2nd until 10:00. Although exams were in the limelight, the Student Council sponsored the Final Fling dance on the 5th and the Basketball team announced its queen, Dee McStay. Exams then took top priority and were held on the 16th and 17th. The football banquet was held on Jan. 23rd to honor those whose year was here. The seniors continued with the party ritual and parties ran the gamut — from an after Ski Party at Winfrey Point to a roller skating party at White Rock Skate Center. The Basketball team continued to amaze the fans with the exciting season. And the "Geek of the Week" award was given to the HP Administration when the 31st saw a major snow storm blow into Dallas and HPISD was the only district in the area to hold school.

February

February sees much activity

A snow storm continued to plague the city on the 1st and the administration was gracious enough to let HP students remain at home for the day. February was off to a great start and continued at a fast pace. The Teacher Appreciation Tea was held on the 6th and was sponsored by the Student Council. Seniors continued to party with bashes at Plaza of the Americas, Mistral, and Goodbody's. AFS members

worked feverishly until the 14th selling carnations to HP Sweethearts. The next night on the 15th, the Basketball team closed out the season with an exciting victory. On the 23rd, juniors and their dates and invited friends jammed with Galaxy at the Junior Girls Dance. At the end of the month the Academic Decathlon Team showed an impressive victory and then prepared for the state finals on March 2.

AFS EXCHANGE STUDENT

Polly Simpkins, Crozier Sowden and Courtney Bobbitt give the new AFS student Fabrice Taupin a big welcome

HP Welcomes Fabrice

The AFS student this year is Fabrice Taupin. He comes to us from France and is living with the John Emmetts, parents of senior Stephanie Emmett. He plans to live with them until his return to France this summer. Fabrice decided to come to the U.S. because of his strong interest in English and his attraction to business administration, which he plans to study.

Fabrice was also attracted to the U.S. because he knew he would like the American lifestyle. He now feels more like a Texan than ever.

Although he loved life in Texas Fabrice admits to being homesick. He rarely phones his family because listening to his family's voices makes him sad. He prefers to write long letters. He admitted that being away from home was a maturing experience, and that watching the close family relationships among Highland Park students makes him miss his family even more.

While at HP, Fabrice has taken Trig, Government, and American History, where, everyone agrees, he fits right in with the rest of the student body.

A SIMON SAMPLER

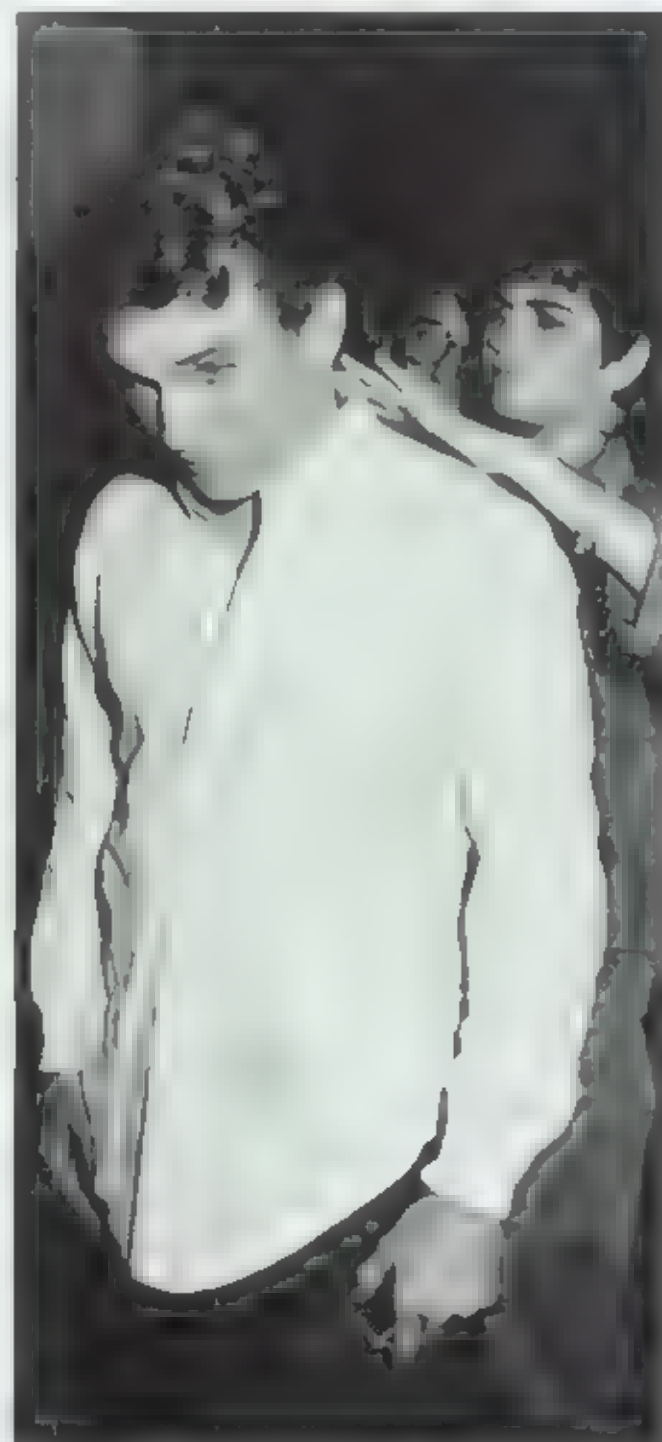

Excellent Reviews

The Senior Play presented by the Class of '85 was, as usual, the triumphant product of hard work and meticulous detail. Under the calm direction of Mrs. Linda Raya, *A Simon Sampler* provided four performances that were exemplary. The trio of comedies, *Plaza Suite*, *California Suite* and *Chapter Two* were performed with a minimum of props, and featured sets designed by Mr. Dennis Day's class in technical theater. All three acts featured the emphasis on human relationships that is Neil Simon's trademark, accompanied by

slapstick comedy and witty "zingers." The cast of the plays was as follows. *Plaza Suite* Laura Lov as Norma Hubley, Glen MacDonald as Roy Hubley, Darian Dreyfuss as Mimsey Hubley, and Stephen White and Jeff Hargrave alternating as Gordon Eisler. In *California Suite*, Mike Boydston and Wendy Kopp were featured. In the second part of *California Suite* Gilbert Brown was Mort Hollander, Ashley Meade was Beth Hollander, Richie Hodges was Stu Franklyn and Beth Wilson was Gert Franklyn.

Student Council

Student Council Holds Banner Year

The 1984-1985 Student Council executive board was led by the officers elected by the student body in the Spring of 1984. George Seay was elected President; C. D. Shamburger, Parliamentarian; LuAnne Starey, Secretary; and Katie Bywaters, Treasurer. The classes at HPHS elected their own representatives. The senior class of 1985 elected Kathy Lumpkin, Libby Lumpkin, and David Thompson to represent them on the Student Council. The juniors elected Laura Lodewick and C. B. Gunter, and the Sophomores elected Bakeney Bobbitt and Alan Stotts. The incoming freshmen nominated Andy McElroy and Scott Sherer to represent them. Later in the spring, Brent Wingert was appointed to the Vice-President position by George Seay.

Under the guidance of spon-

sors Ruth Anne Vineyard and Jerry Smith, these officers, the executive board and the classroom reps worked on many projects throughout the year. The Howdy Dance held in September, was the Student Council's first of three dances. The second dance was on November 3 and was the Homecoming Dance. President George Seay crowned Stacy Jacobs as the Homecoming queen.

A third dance was held in January. The "Final Fling" was held in the gym prior to finals, hence the name.

Also on the agenda for the Student Council was the proposition for better communication between the student council and the student body. Also, the council helped Hi-Lites with its annual Christmas Food Drive and also planned projects of their own.

This year the *Bagpipe* saw a change of sponsor for the first time in 25 years. Mrs. Reyburn Meyers retired and was succeeded by Mr. Jim Zinn, journalism teacher from Tawakoni. Under the editorial leadership of Wendy Kopp and Kathy Huston, the newspaper incorporated the new feature of student forums, where specific students aired their opinions on such subjects as capital punishment, abortion and the presidential election. Features were emphasized, also, to give more journalism students the chance to write.

A new problem facing the *Bagpipe* circulation staff was simply how to send the paper out to the students. Previously, the paper had been given out during first period, but the new House Bill prohibits using class time for non-curriculum purposes. Thus the staff was faced with coming up with a new way of circulating the paper without taking "lost" class time. The problem was resolved temporarily when *Bagpipes* were given out during lunch.

Mr. Zinn found working with the HP newspaper staff a "real pleasure. They are talented, creative, and really do the job well," he commented.

HP's Proudest Literary Work

The **Tartan** is a literary magazine written solely by Highland Park students. Each January, students submit their art and literary work to the Tartan staffs. The staffs, divided into two sections, the Literary Board, and the Art Board, then decide which work is suitable for publication. The Literary Board critiques the poems, short stories, essays, and other written material. The Art Board reviews all of the artwork submitted for publication in the magazine. After

the two boards have made their selections, a group of teachers check all articles a second time.

The finished magazine containing all approved artwork and written work goes on sale at the Spring Open House. The finished product is the result of long hours after school and many hours at home. The staff consists of students who have been selected by explicating a poem.

NHS Attracts Many Students

In the spring of 1984, the National Honor Society initiated 41 new members, including 34 juniors and 7 seniors. Many seniors were also inducted in the fall of this year.

Membership in NHS requires a student to maintain a 7.0 grade point average for the preceeding year. Also considered for admissions are the teachers' evaluations of the students for scholarship service,

character, and leadership ability. These characteristics are ranked on a scale from 1 to 8 and students receiving all sevens or better are admitted.

Officers elected in the spring of 1984 were: David Rose, president; Carin Knoop, vice president; Mike Boydson, secretary; and Katie Bywaters, treasurer. The club sponsor is Miss Cathy Orr.

Spirit Committee

A Season of Hard Work and Excellent Results

The 1984-1985 Spirit Committee did an excellent job this year under the leadership of Katie Bywaters, Julie Liebes, and Katherine Mahood. With the help of its assistant chairmen Emily Bright, Stephanie Millard, and Amanda Turner, the Spirit Committee began their activities by painting signs during the summer, and relaxing with a swimming party to kick off the school year.

Under the leadership of Sponsors Pat Sargent, Chris Dudlev, and Julia Garza, Thursday nights were devoted to decorating the gym for the pep rallies on Friday mornings. Instead of the navy blue shirts, the girls chose white shirts with the blue scot mascot on the back. Continuing with tradition, the Spirit Committee sold bumperstickers and had their annual bake sale, raising

money for the material needed to decorate.

Members of the Spirit Committee spent many hours painting signs, blowing up balloons, taping crepe paper on the bleachers and cheering on the school's athletes.

Dedication and Hard Work Creates Success

The 1984-1985 speech team started the year with a bang. New to the team this year were sponsor Abio and Adleia Realtors and Coach Bette Ambrosio. Team members attended debate camps during the summer in preparation for competition. The team attended tournaments in and around Dallas as well as one in Amarillo. President Wendy Kopp stated that "we really made progress as a team this year. We worked hard together and it really paid off." Debaters spent many hours after school researching in preparation for tournaments. Those who entered individual events such as humorous or dramatic interpretation, oratory, extemp, prose or poetry also spent numerous hours rehearsing. Qualifying for state were orators Wendy Kopp and David Kopp. John Schuenker also qualified in humorous interpretation.

Ms. Ambrosio called the year a "Building" year, saying, "Our challenge is to reach the rest of the HP student body to get more of them involved in the exciting, growth-oriented activity of speech and interpretation competition. The demand for commitment is high but the rewards are limitless." Ms. Ambrosio's dedication to the team inspired hard work and success by members.

Hi-Lites

Some 1985 Hi-Lites Officers: Tracey Taylor, Leslie Dickinson, Carla Beard, and sponsor Mrs. Raya.

A Profitable Year For HP Hi-Lites

The Hi-Lites girls had another successful year under the sponsorship of Linda Raya and Nancy Hierholzer. The officers were led by President Elizabeth Schooler and VP Polly Simpkins. Red Cross Officer Carla Beard organized projects and Elizabeth Baker organized the great dances. Gayden Beard kept the teachers day bright and Chris Freeman recorded all of the club events. Carrie Bass scheduled the speakers, Tiffany Slayton kept little sisters happy and Terri Armstrong served as secretary. Tracey Taylor kept the finances straight, Jenny Bernet kept track of points and Leslie

Dickinson took care of the advertising. At the second dance of the year, Wayne Clements took the title of Hi-Lite King at the Revenge of the Nerd Dance.

Once again, Hi-Lites worked on many projects. The Sias family was the club's adopted family. Officers were often seen taking breakfast to the Boothe Day Care Center. Christmas and Thanksgiving were busy times and many boxes were filled with turkeys and canned food. All members of the club contributed money, food, and clothes to the many projects. The club could not have functioned without the generosity of its members.

Band Supports Year's Patriotic Events

1984-1985 was a political one, patriotic, and victorious year in the community. The 1984-1985 Highlander Band under the direction of Barbara Qualls participated in many different activities during this exciting year. HPHS experienced much excitement during the fall and the Scot Band was there during all of it. Victoriously, and filled with great pride, the Band followed the Scots through the 15 glorious football games all the way to the desolate plains of Odessa. The Band performed for 15 halftimes, and steadily raised great school spirit at 17 pep

rallies. Special thanks go to the awesome drummer! In addition to football games, and raising school spirit, the Highlander Band played a great part in the community's patriotic activities of the past year. The Band performed at the Republican National Convention, at the invitation of the White House staff. The Highlander Band also helped welcome the victorious Olympians as they toured through Dallas. Additionally the Band hosted and participated in the Region XX UIL Marching Contest at Highlander Stadium. 3000 guests attended the event.

THESPIANS

Biggest Club Ever

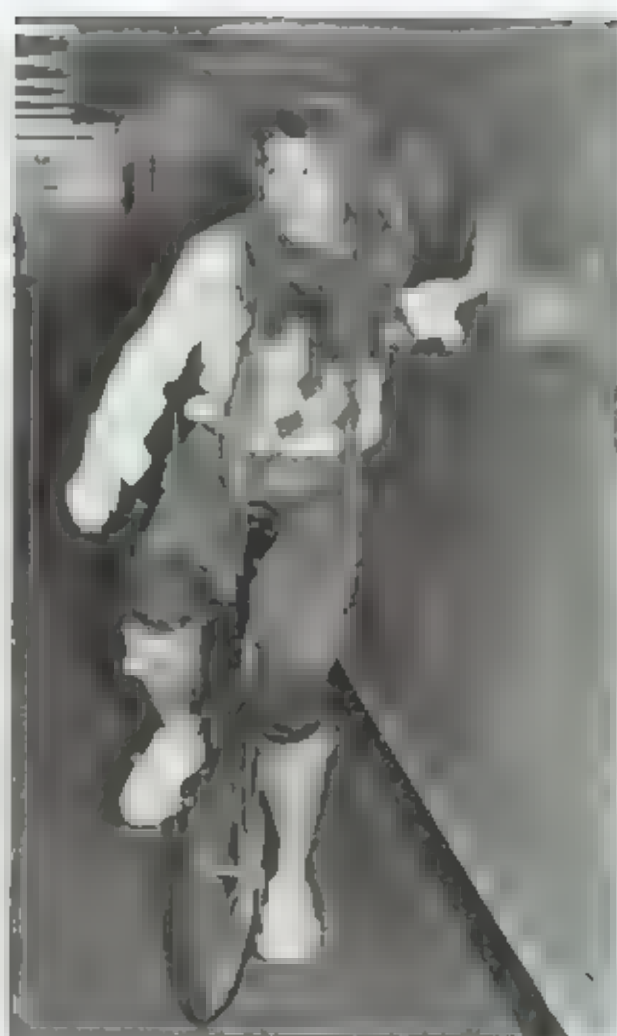

The Thespians Club of 1984-85 got off to a good start this year with increased membership, bringing the club to its highest enrollment ever. The club's intentions, to promote interest in the theater and to inform students about the different aspects of working in the theater were well served when many Thespians took part in the Senior Class Play, *A Simon*

Andrew Clark served as president this year, and Mary Denton as vice president. Programs included a speech by a Kim Dawson model, makeup application tips by a professional makeup artist, and of course, the annual Christmas program presented to elementary school students

Trivia Buffs Hone Skills

The Highland Park Whiz Kids is an interest club that meets Wednesday before school and on alternate Wednesdays at club period. Members are constantly in training, meeting to play "Whiz Quiz," a variation of the old "College Bowl" TV program. Students are divided into two teams, given a question and compete to see who can answer the question first. Questions range from show business to chemistry.

Mr. Jerry Smith, the sponsor picks the four players from the team that he feels would make the best team. These four represent the school in a Whiz

Kids competition, a single elimination brain game, involving about 70 metroplex high schools. A quick recall of knowledge is a very important element of Whiz Kids competition. The height of the competition is the appearance on the *Whiz Kids* TV Show taped at Channel 8 in downtown Dallas. All Whiz Kids captains are seniors, and not surprisingly, all are National Merit Semifinalists. They are Mike Boydston, Andrew Craveroll, Mark Elliott and Glenn MacDonald.

Varsity Cheerleaders

Cheers to HP Spirit Boosters

How 'bout those Varsity Cheerleaders. They were really something to be proud of this year. They worked very hard to boost school spirit, and they did. The school spirit was

At the Varsity Cheerleaders' first practice, they were scared and dropped their leaders. To break the ice, they attended a UCA cheerleading camp in San Marcos where they earned their own blue ribbons. The camp was held at the JWO Center for the Arts. After a week of practice, the cheerleaders were back in school.

All of the cheerleaders worked hard to get the school off to a good start. The student body began cheering with them something unheard of in previous years. The Varsity Cheerleaders were Jimmy Holmes and Crozier Sowden, Grady Vaughn and Lee Roberts, Craig White and Anna Hampton, Andrew Clark and Leslie McFloy, and Gilbert Brown and Stacy Lee.

A Memorable Year For JV Girls

The Sophomore Junior Cheerleaders were a lively bunch this year. The group consisted of Molly Breedlove, Caroline Clark, Helen Ellis, Tina Moore, Chrissy Shelmire, and Katherine Tyrrel. The girls were elected in the spring of 1984 and traveled to cheerleading camp the

following summer. While attending camp in San Marcos they received spirit sticks for their cheerleading abilities. The girls were sponsored by Ms. Jann Kirklev and they had a memorable year cheering at both football and basketball games.

Those Outstanding Freshmen

The Freshman Cheerleaders were an outstanding group this year. They attended Cheerleading camp at San Marcos and won the spirit stick for being so peppy. Their spirit helped their football team make their way to victory.

Kristen Allen, Laura Connor, Shannon Hawley, Alicia Mock, Kathy Nettle, Pauline Seay, Claire Sessions, and Kelly Sloan composed this group of outstanding cheerleaders. They organized the decorating committee for the football boys on the Freshman team.

The football and basketball boys appreciated all the time and work these girls put into cheerleading.

The club was led by a triumvirate of three presidents: Kelly Michael Yu. The Vice-President was Jen Bane. Secretary was Kristin Brovon, and Treasurer was Leigh Anne Gardner. This year the club had several activities. The first was a progressive party for Christmas. They had a three course meal and afterward trimmed the tree at their sponsor Mrs. Clark's house. Later in the year, there was a Trivial Pursuit party. A trip is also planned for April 21. The club planned to go to San Antonio for a Spanish fiesta. The last event for the year was the banquet held in May.

Mu Alpha Theta shows that numbers really work

Mu Alpha Theta looked forward to a promising year of competition. Under the leadership of president Gregg Fowler, the math whizzes diligently prepared for math tournaments by working challenging problems and taking sample tests against the clock. All this hard work paid off in the spring in competition at SMU, Dallas Baptist College, and Irving.

The other officers included vice-president Terry Pan, secretary David Kepp, and treasurer Mark MacDonald. Mu Alpha Theta sponsor, Dr. Tiller, kept the students noses to the grindstone and gave helpful hints on the rare occasion club members are stumped. Mu Alpha Theta is an organization designed to promote interest in math and related fields. For anyone interested in math, Mu Alpha Theta is definitely the place to be.

VARSITY FOOTBALL

The 1984 Highland Park Scots

HP Varsity Team: winners!

The 1984 Scots Varsity Football team was the epitome of Scot pride. The team worked all spring and summer toward the goal of having a successful season.

The season started out slow when MacArthur upset the Scots in a 21-17 shocker. The Scots resumed business the next week in Lake Highlands and then moved over a large Pearce team. The Scots moved into district play with momentum and another victory over North Garland. The defensive squad was led by George Seay, Thomas Nash, Jeff Carter, and Bill Clements. Strong plays by a dominating offense led the team throughout the rest of the season. James Knoll, Lin Waters, John Stollenwerck, and Mike McCulloch all emerged as offensive threats. The defense continued to play tough with contributions by Brian Owen, Fred Vehon, and Mike Schmidt. The secondary was the best in recent history with James Esquivel, Brandon Williams at the safety positions and Matt Johnston and Steve Davis on the corners. As

Garland rolled around, the Scots were looking ahead to North Mesquite and gave up 28 points. The offense came through by scoring 49 points. Trip Wood and Brady Giddens led the defense in a bench clearing brawl with Williams, Davis, and Owen lending a helping hand. The following week, the Scots managed 300 yards over North Mesquite. Stollenwerck got 205 yards on 15 carries and completed his only pass attempt to Clark Kennington for a first down. Ernie Williamson, Doug Barnes, and Trey Smith helped to keep the Stallion defense in the air. With the loss the title was up in the air with a coin flip. North Mesquite was the odd man out and HP was placed in the runner up slot.

The playoffs were finally in motion. The first team that the Scots faced was Roosevelt in Bi-district competition. The Roosevelt defense was outstanding but the Scot defense had an awesome game, as they held Roosevelt many times. Trip Wood had an interception that ended in a touchdown

After the victory over Roosevelt, the Scots moved on. The victory over Plano gave the Scots the push that they needed. The Bryan Vikings were next on the hit list. This game was the biggest defensive effort of the season. Davis, Williams, Nash, Vehon, and Wood all played hurt. After the victory over Bryan, the Scots faced a talented Conroe squad. The defense played tough, the injury-plagued offense was super, and the specialty teams had big plays. The next week would prove to be the most trying effort of the season. Forty percent of the HP residents traveled to Odessa for the semi-final game of the season. Yellow ribbons had been tied all over the trees in HP to raise spirit. The MOJO came to play, as did the Scots, and the game was tied at half time: in penetrations, first downs, total yards, and points. With three minutes remaining in the fourth quarter, the scoreboard showed a tie, with Cats on the Scot 8 yard line. After the coaches discussed the situation, the team was instructed to let

the Mojo score as we were behind in penetrations and first downs. But as the team tried to win, things did not work out play, as did the Scots, and the game was tied at half time: in penetrations, first downs, total yards, and points. With three minutes remaining in the fourth quarter, the scoreboard showed a tie, with Cats on the Scot 8 yard line. But as the team tried to win, things did not work out. Unfortunately, the final score of the game did not reflect the game. Odessa played a perfect game on a rain soaked field with no turnovers. The season ended as the Scots lost to the Odessa Mojo in the semi-finals.

The 1984 Scot Varsity Team came out winners because they wanted to be. Captains George Seay, Tom Nash, and John Stollenwerck led the team that never quit, always believed, and gave 100% on every play!

Junior Varsity Football

The 1984 Junior Varsity Scots!

JV Football promises exciting season

The JV Football team finished the 1984 season with their best record in seven years having a record of 4-2-1 in district and 7-2-1 overall.

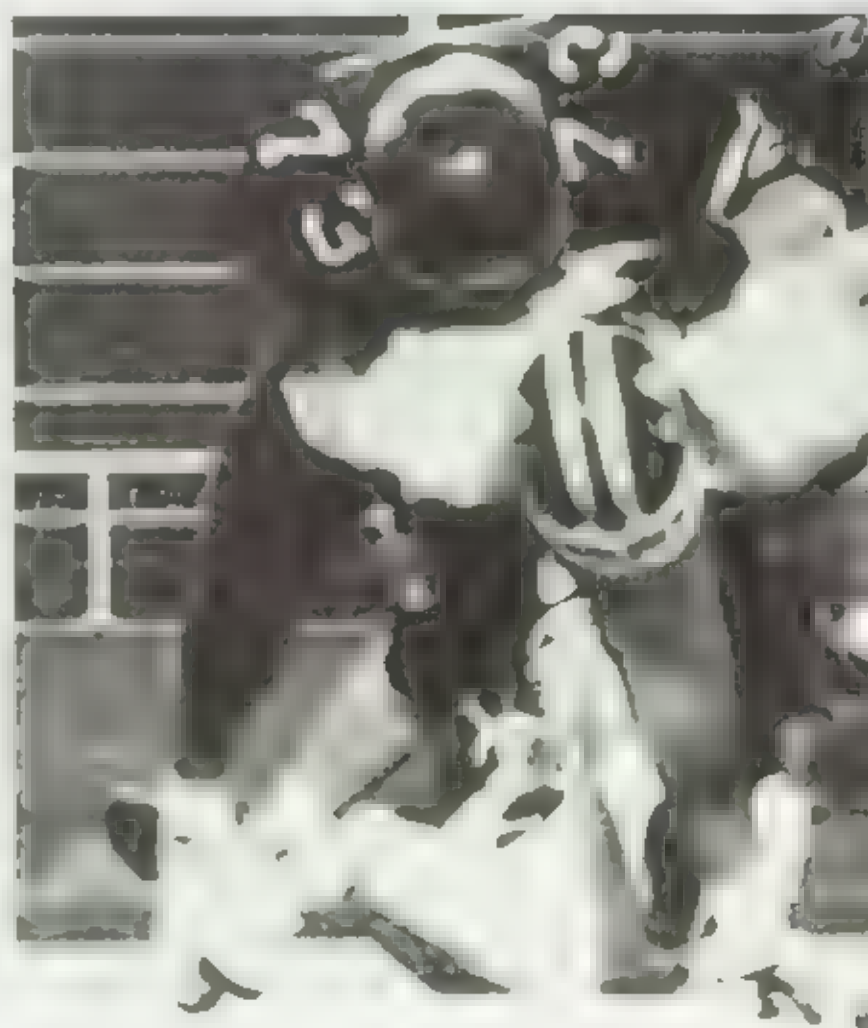

Quarterbacking the JV Scots was Mark Reynolds completing 54% of his passes for 858 yards and eight touchdowns. Leading the JV scoring all year was their leading receiver and kicker John Hopkins. Hopkins had 23 catches for 410 yards, six touchdowns, six field goals, and 15 extra points — totaling 69 points for the year. The leading ground gainer was

Searcy Miller gaining 550 yards for the season.

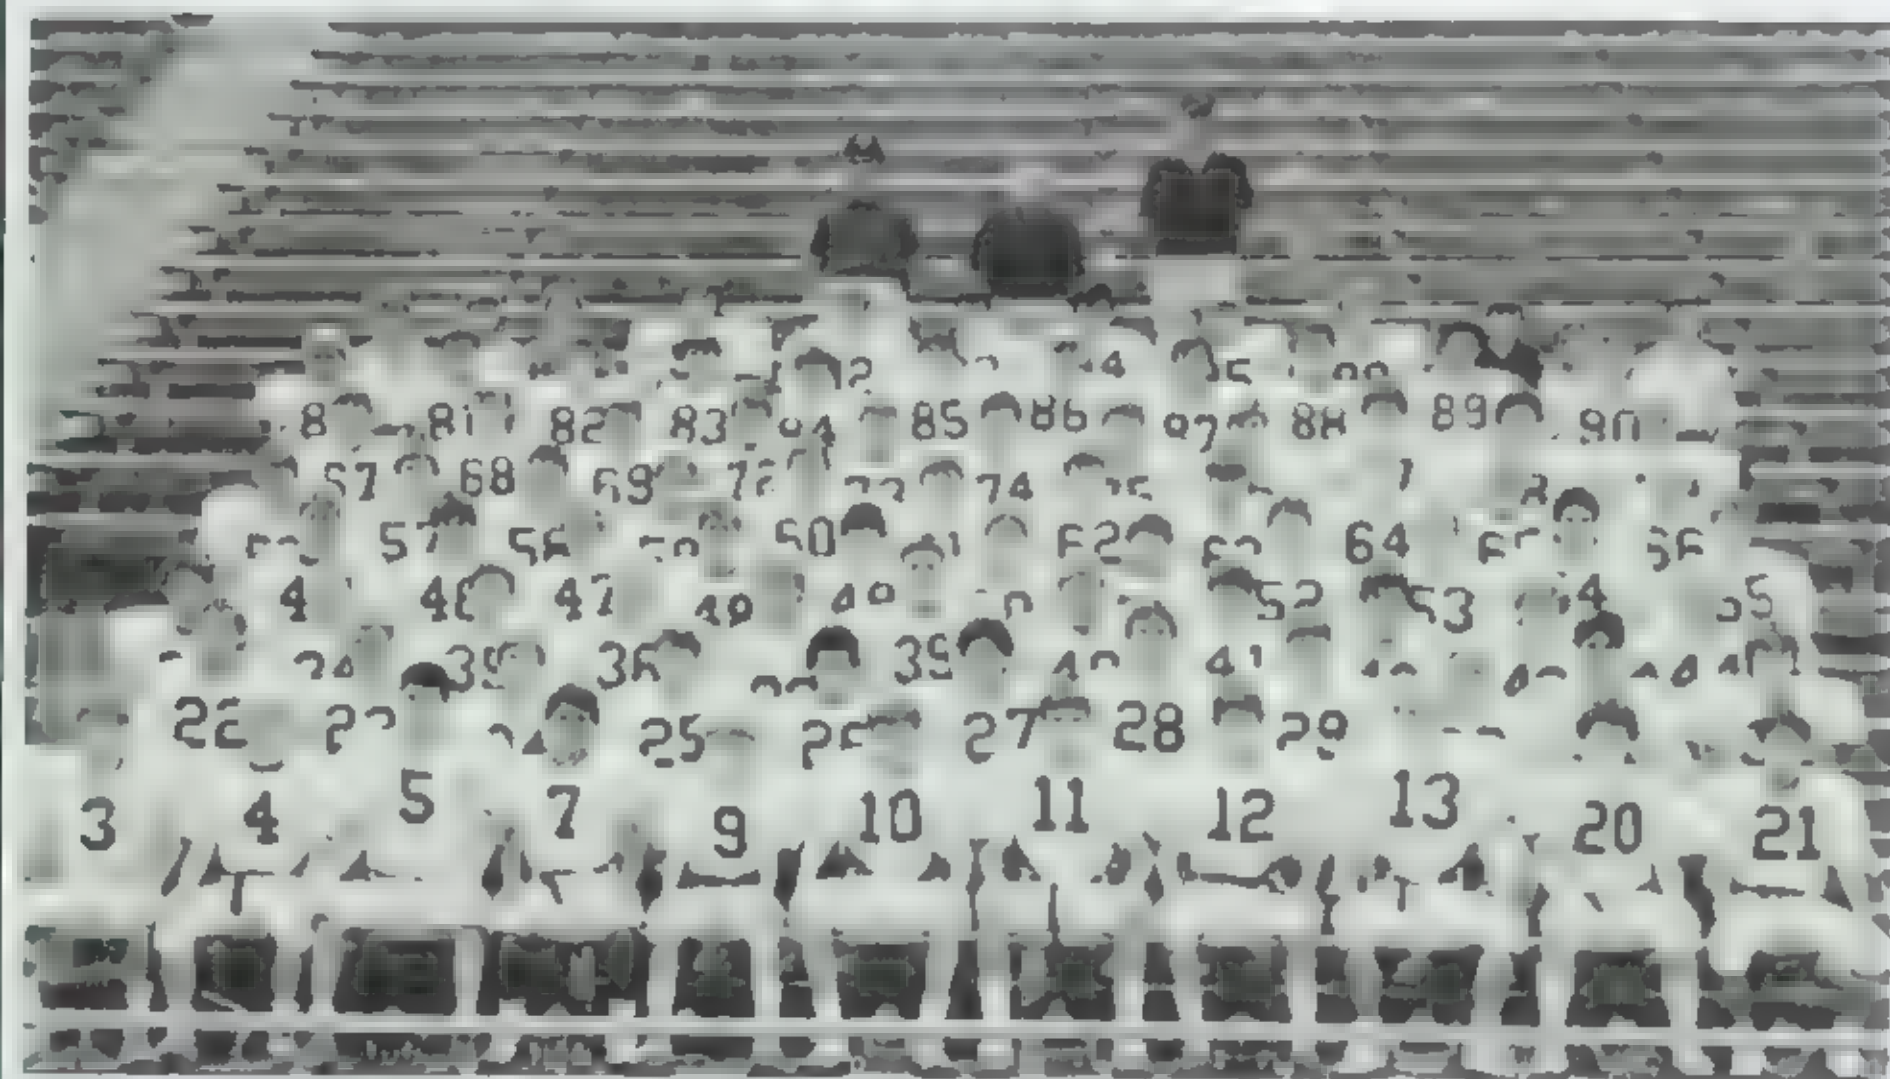

The strong defense was led by Sutton Turner, Brian Sanders, Rip West, and Jim Bell. Henry Ochel and John Sharp led the defensive secondary.

The JV coaches (Jones, Fields, Waters, Marzoula, and Woods) were very pleased and felt they had a great season. They contributed their successful season to the players' self-motivation, pride, and hard work. Coach Jones felt the several good varsity players will come out of the JV group.

FRESHMAN FOOTBALL

The 1984 Freshman Scots!

Freshman football full of talent

The freshman football "A" team ended its outstanding season with a 6-3 record. After 2 pre-district losses, the team came on strong with a 6-1 record in district. Their only loss came to a strong North Garland team. The young Scots finished the district season second overall.

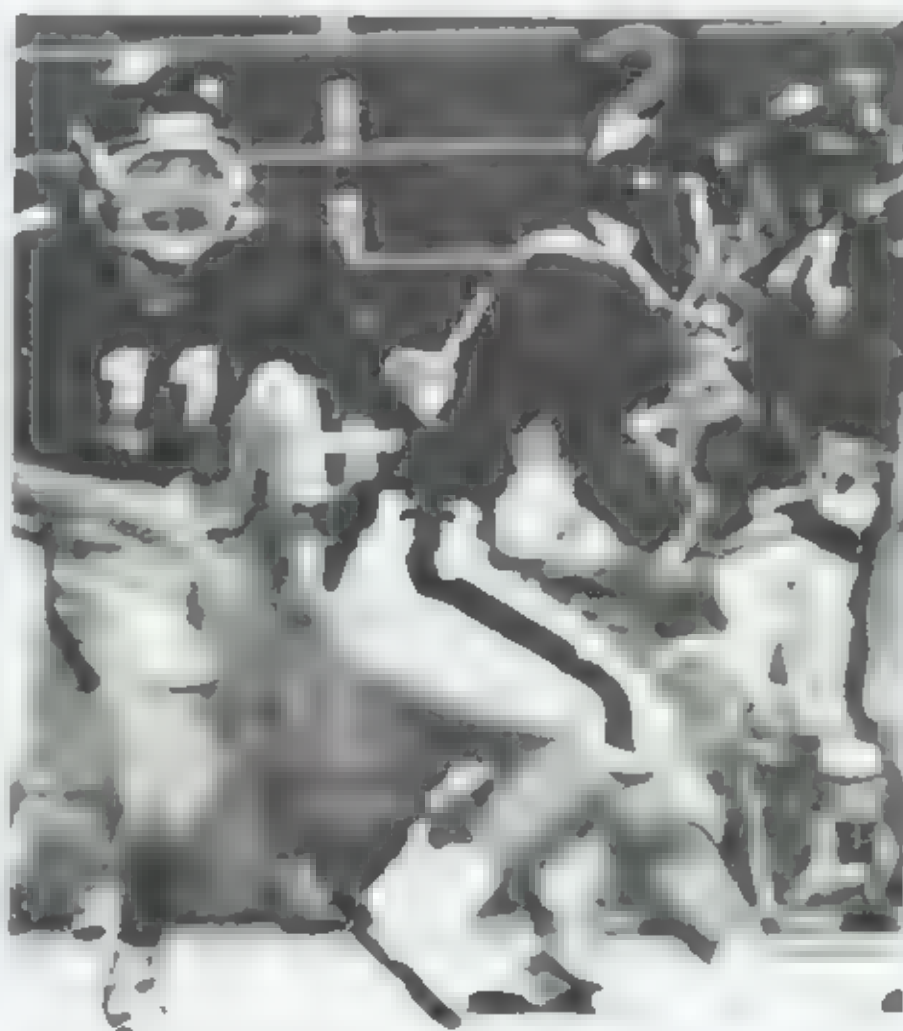

The team was led by captains Hil Bowman, Casey Clyde, Preston Leon, Blair Pogue, Scott Shere, and Jack Sides. Coaches Cecil Holmes, Al Hawes, and Richard Bohac coached the team.

The leading "A" team rusher for the year was Leon with

1,089 yards in 92 carries for 13 touchdowns. Sides ran for over 400 yards. Clyde, as quarterback, completed 50 of his passes for 9 touchdowns. Philip Simpkins caught 7 touchdowns passes. Sherer led the defense with 105 tackles.

The "B" team finished a disappointing season with a 3-5 season record. Two of its wins came as a result of forfeits, and the other came in a victory over South Garland. Paul Ferris, Angie Laros, Matt Luedtke, and Derek Moore were among some of the players who greatly contributed to the team.

Basketball Team Wins Big

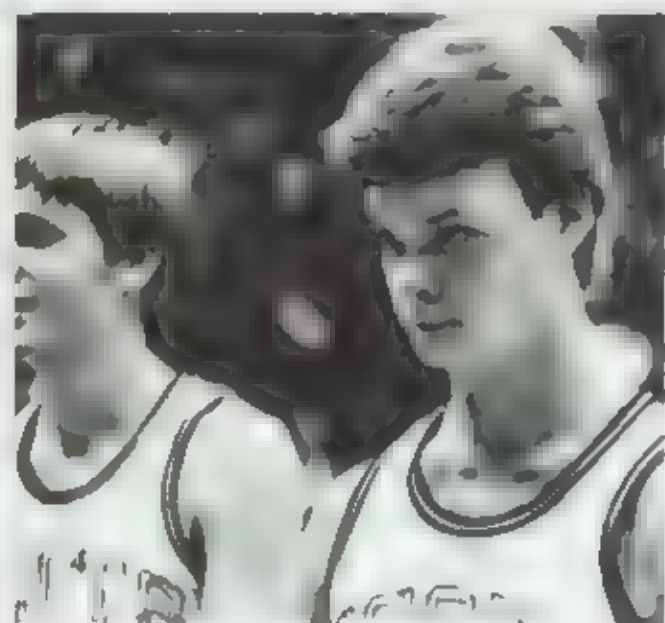

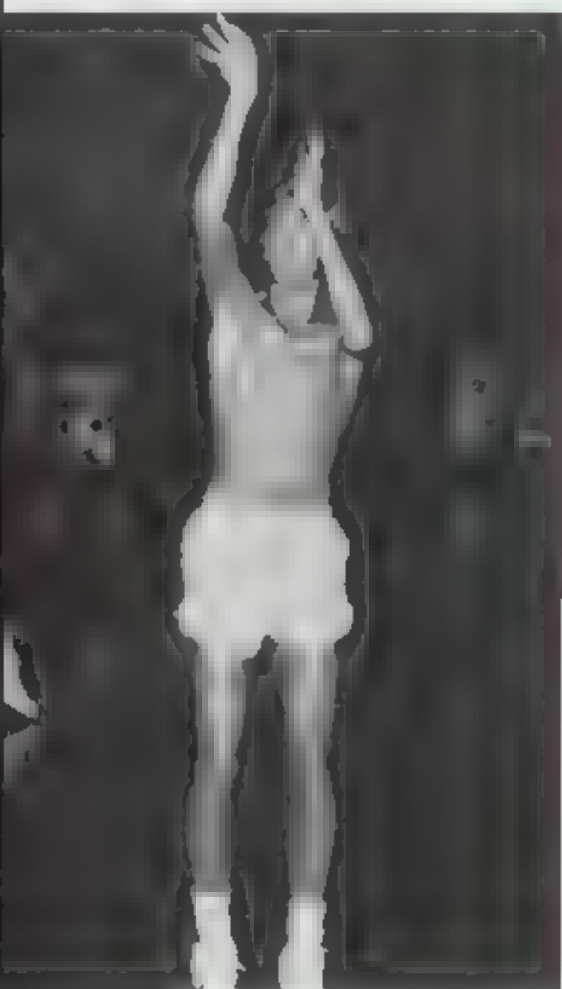

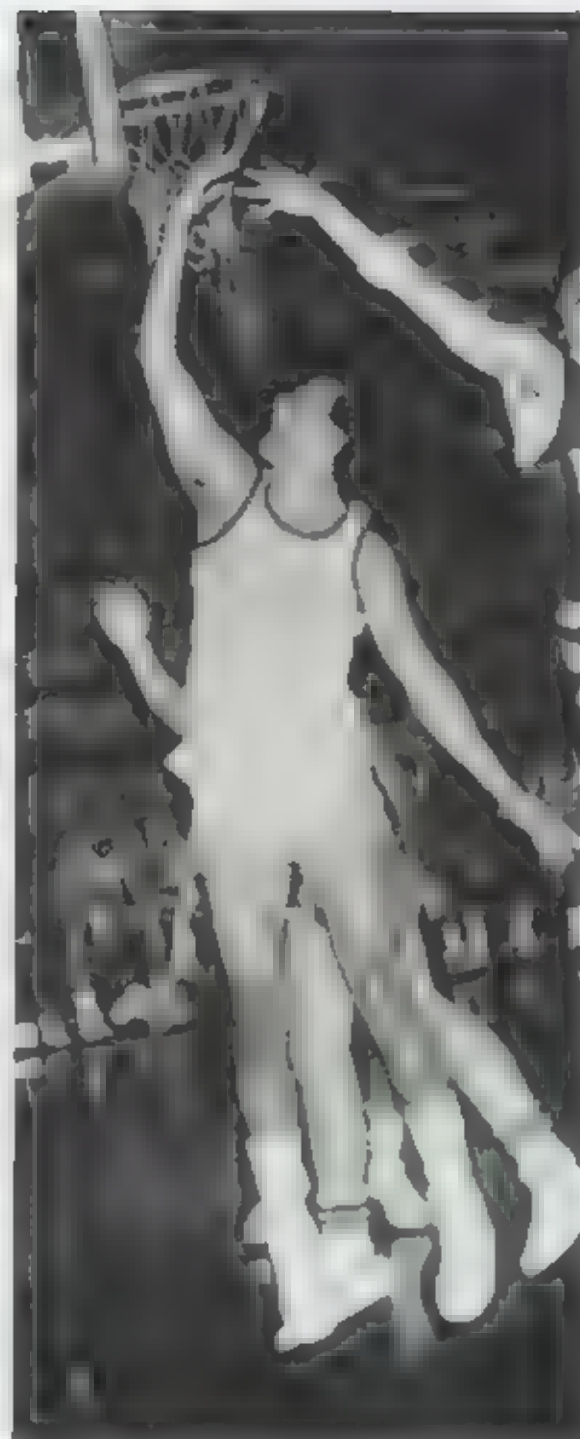

The 1984-1985 Varsity Basketball team enjoyed a successful season. Under new head coach Tom Shelton, the Scots went 26-6 for the season. The Scots started off the season defeating such notable opponents as Denton, Berkner, Lake Highlands, Richardson, and L. D. Bell. The roundballers won the Scot Classic and the Austin Invitational Tournament, beating several of Austin's best teams. The Scots went 17-0 until they met nationally ranked Baltimore Dunbar in the finals of the Fort Worth West Side Lions Club Tournament.

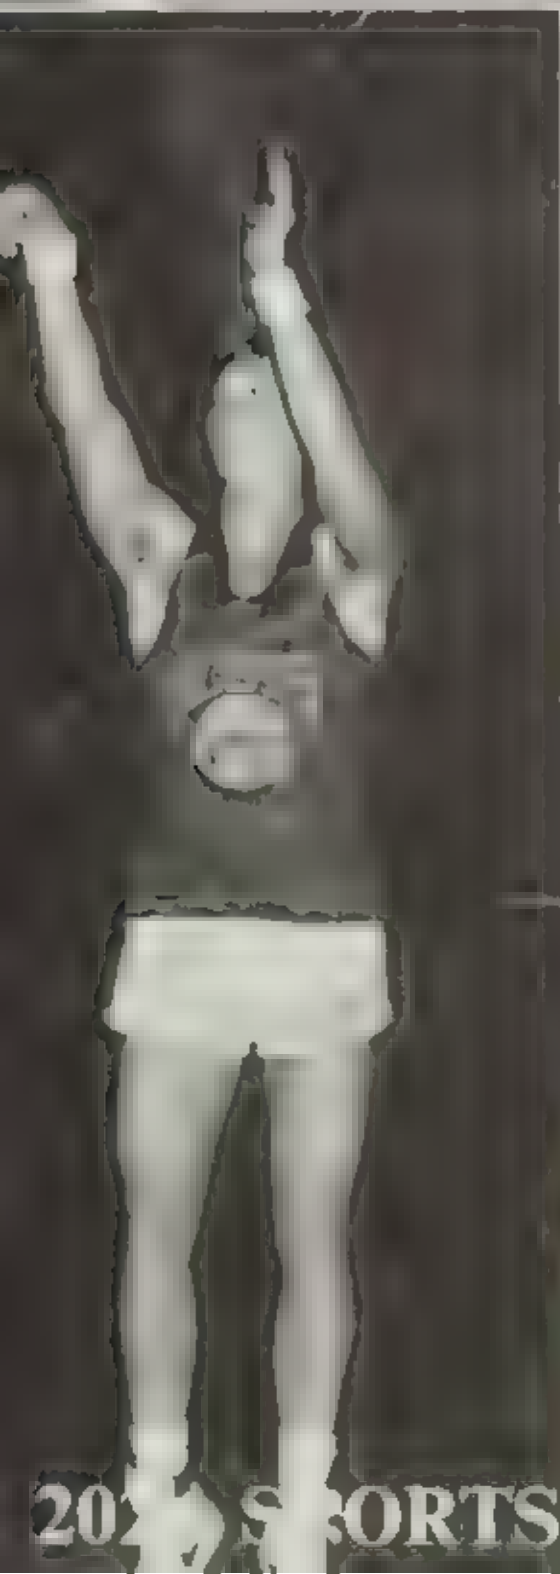

The Scots ended up district play with a 9-5 record. District 9-5A was considered one of the toughest districts in the state and the Scots defeated every team at least once except South

Garland. Another one of the many highlights of the season was the defeat of the Hutch and previously undefeated Garland. The Scots defeated the Eagles for the first time in 10 years.

This year's team was considered one of the best to come through Highland Park. The group was made up of many talented seniors. The starting line-up included Seniors Stephen White, Tie Sosnowski, David Humann, Malcolm Showalter, and Glen Mack. Other contributing seniors included Scott Davis, Mike McCartin, and Chuck Peters. Underclassmen Scott Brock, Thomas Hocker, Lex Mathews, Lindsay Brown, Wes Boyd, John Isakson, and Matt Baynham also contributed to the strong bench.

JV Basketball

JV Basketball Scots Led by New Coach

The JV Scots basketball team had a successful season, compiling a final record of 20-7. Coach Jody Bass, a newcomer to the Scots Basketball program, said he was impressed

with the JV's energy and determination. Craig Williams led the JV in scoring, while John Cole and Matt Lucas provided leadership as captains.

Freshman Basketball

Fledgling Freshman Basketballers Work Hard

The freshman basketball team had a stellar year, although it was a building one. The squad consisted of two teams, the Blue and Gold. The Blue Team was coached by Mike Fields, and the Gold team by Tony Waters. Rhodes Baker, member of the Blue Team "Lost some but won more." The team's enthusiasm and hard work, coupled with good coaches, has set them onto a winning tradition.

Impressive Record for '85 Volleyballers

The 1984 Girls Varsity Volleyball team began 7:30 AM workouts on August 6th. Led by captains Sharon Bradley and Allison Peeler, the volleyball team had a season record of 14 and 11. The girls were coached by Mindy Mott, the coach for 6 years.

Tough competition in district 9-5A came from North Mesquite, Mesquite and South Garland. Special honors awarded to team members include Kathy Young being named All-Tournament, Sharon Bradley 1st-Team All-District, Allison Peeler 2nd-Team All-District and Jennifer

Fogg honorable mention. Important returning players for next year's squad are Jennifer Fogg, Kathy Young, Susan Sharpe, Kathy Coe, Katy Williams, and Tracey Miller. Graduating senior players are Sharon Bradley, Allison Peeler, and Triste Percival.

The JV Girls team was led by Coach Mott and captain Lisa Humann. Valuable players include Laura Swanson, Kim Meek and Lara Long. This year was a building year for junior varsity Scots, and their record in District 9-5A was impressive.

Cross Country Track

Cross Country Makes Tracks

The 1984-85 Girls Cross Country team had an exciting season under the coaching of Jim Mouser. The team included Seniors LuAnne Staley, Kathy Lumpkin, and Libby Lumpkin, Juniors Crystal Maguire and Julie Soukup, and Freshmen Heather Wallace and Megan Mylan.

The team started workouts in August with six mile runs after school. Then team members continued working and training with individual runners building up until they reached their maximum mileage. The team ran at White Rock Lake.

The team went on to win district and then won regionals. In the state match the girls lost by only one point to Clearlake High School. Crystal Maguire gave an awesome performance in the state meet, coming in the tough 5A competition. The course in each meet is a tough 2 mile trek over hills, down hills, and through mud, fields, and

streams. The team had a great season and many of the members went on to run track in the spring.

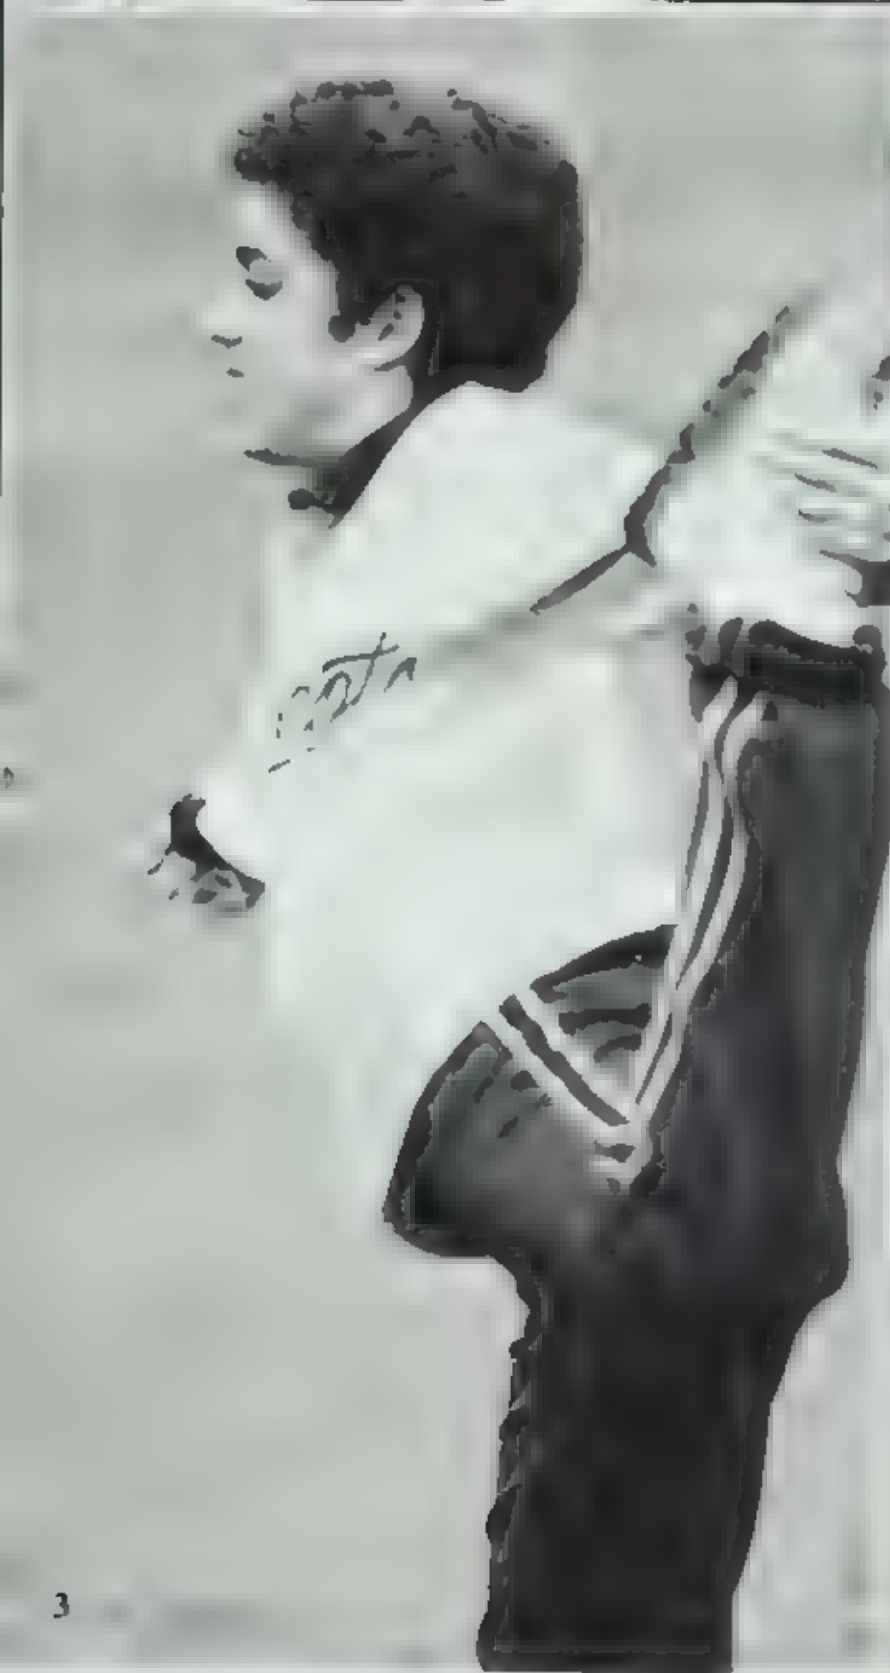

Boys' Cross Country Scots had a good year in 1984. The team consisted of seasoned runners, all but one returning from last year. The team members were fortunate to be virtually unaffected by new ineligibility standards.

The team was led by Senior Captain Chris Tansil and top runners Skip Tasker, Marc Mathes and Robert Tohmeyer. HP runners usually finished fourth or fifth in district meets, although they ended up a close sixth overall. Though a couple of Scots came close to continuing beyond district, none made it to regionals.

Although statistics suggest that boys' cross country had a poor year, the runners were fairly pleased with their performance.

Leading the team in battle were Coach Kay Kyle and Captains David Rose and Chris

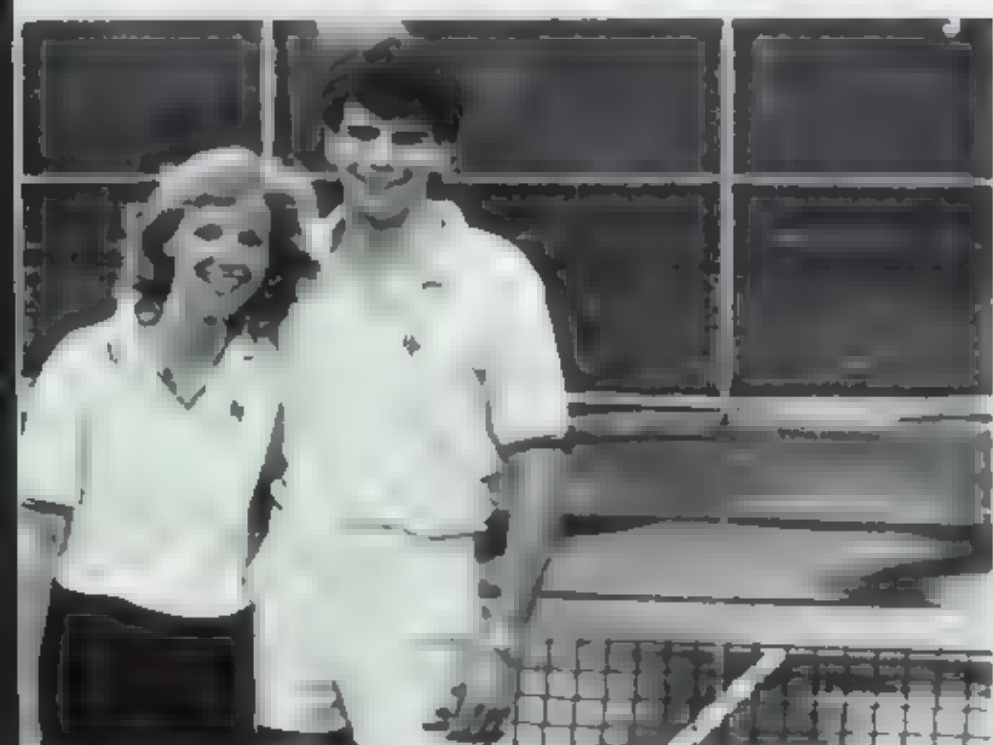

Freeman. Freshmen contributors Calire Sessions and Adam Wiltsie and David Christopher added new strength to the team.

The great fall season really had the team excited about the spring. While new eligibility and absences requirements limited participation in tournaments, everyone looked forward to a district title.

The "trap was set" for any challenger of the 1984-85 varsity girls soccer team. Led by captains Jenny "Plum" Bernet, Sharon Bradley, and Elizabeth Schooler the girls finished with a 7-1-2 record in a new district. Coach Mindy Mott came away with a personal record of a red ear, and personal satisfaction of having called a referee an "Idiot!"

Strong district competition came from MacArthur and Newman Smith. Two freshmen, Kathy Bass and Laura Daste added depth to the varsity roster.

The season ended in a bi-district game against Duncanville. The girls had a super season as shown by All District

honors:

1st team — Carrie Bass, Sharon Bradley, (also named defensive player of the year), Karla Ham, and Elizabeth Schooler.

2nd Team — Jenny Bernet, Lee Roberts, Crickett Rollins, Polly Simpkins, and Kathy Young.

Honorable Mention — Catherine Turner.

The Junior Varsity was led by captains Melinda Fender, Laura Mighell, and Amy Todd.

Although district play was not too reliable, the girls took on other competition. They showed their strong skills by booming away wins over North Mesquite and Ursuline.

Boys Team Moves Into New District

The 1984-1985 Boys Varsity Soccer team began their season after a move to a new district consisting of 3 Irving teams and 2 Carrollton teams; it is the toughest and most competitive district in the state. The short preseason consisted of games against Richardson Pearce, the future state finalists, and St. Marks. District play began, and immediately the team was faced with player eligibility problems. Because of the number of ineligible players, 3 sophomores and 1 freshman had to be brought up from the JV to fill the empty positions. This resulted in an ever-changing

starting lineup. Despite the problems faced by the team, they fared very well in district competition. When the season was over, a host of Scots received All-District honors. Captains Payne Lancaster, David Thompson, and Allen McConnell all made 1st team All-District. David Rogers, John Duke, Patrick Kreys, and Kevin Gore made 2nd Team All-District. Allen McConnell also received the great honor of Defensive Player of the Year in the District 7-5A.

Likewise, the Junior Varsity had a successful season.

Swimmers Stick Together

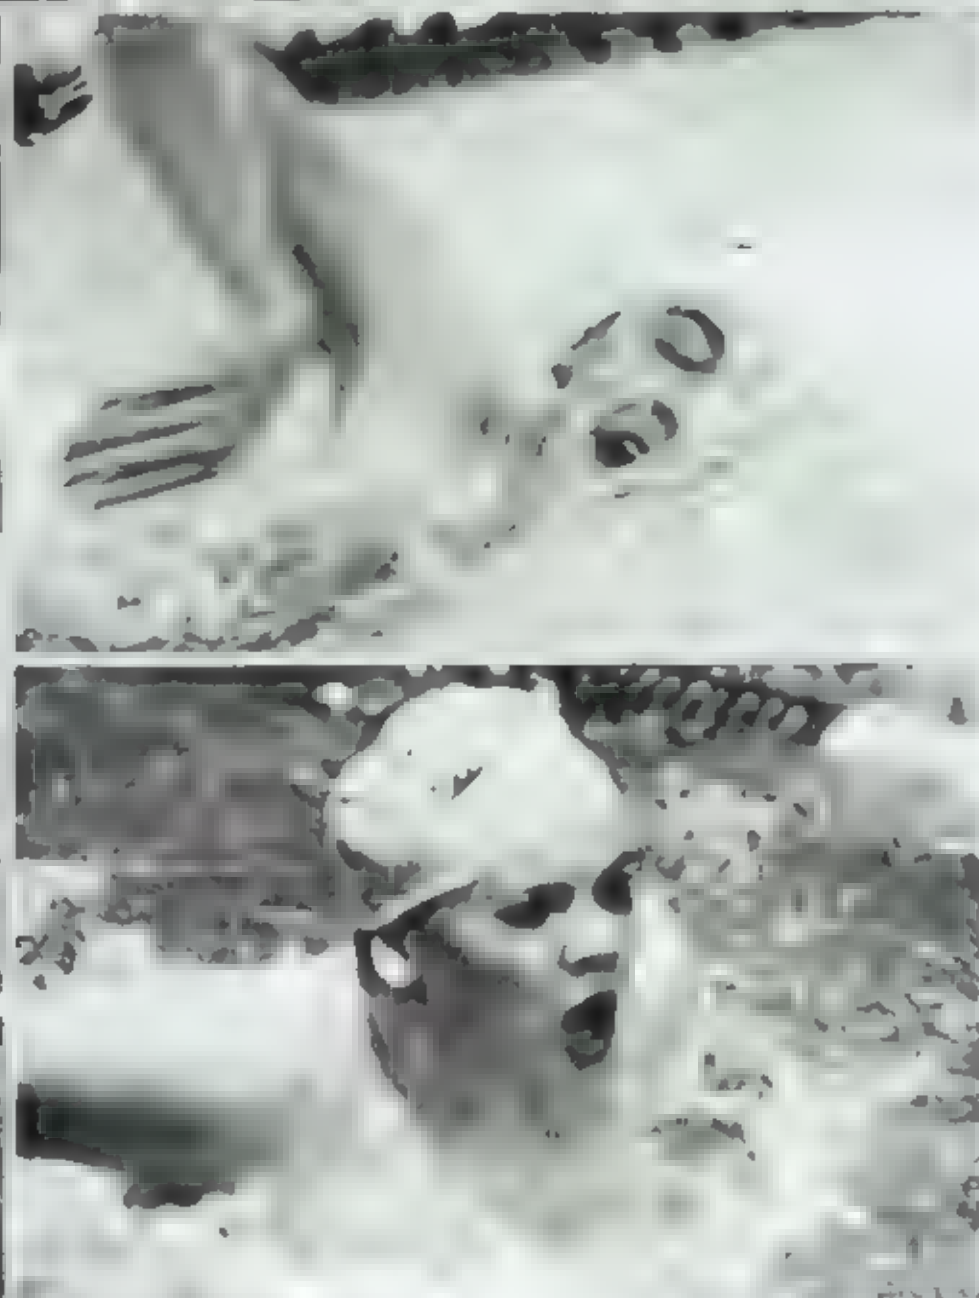

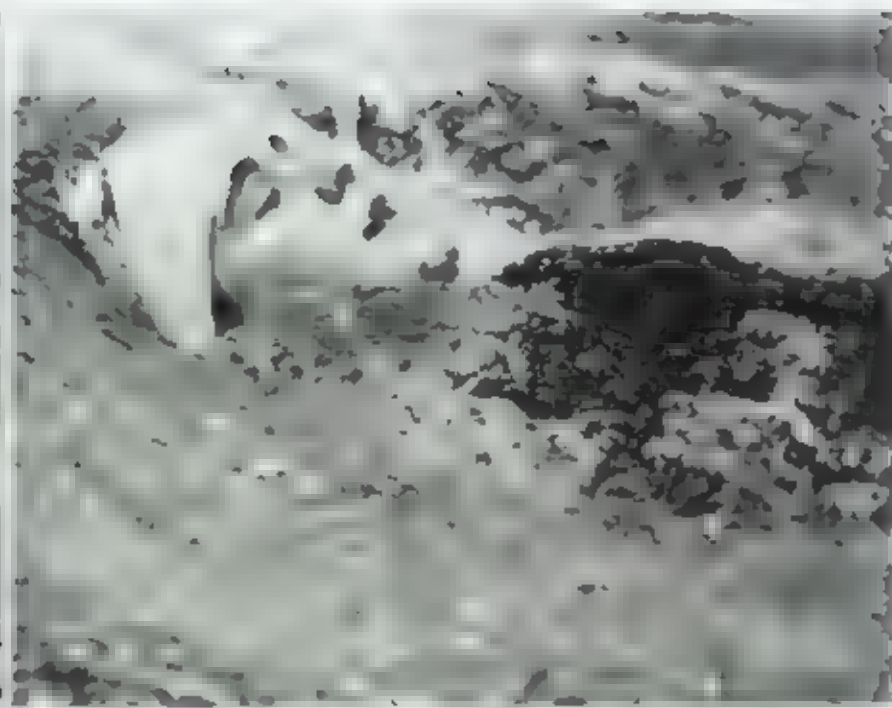

The Varsity Swim Team, led by Coach Mike Sorrells and co-captains Clay Stanton and Paige Wilbur, was once again the district champion. The winning team's workouts, which were six days a week, began in August, went throughout the Thanksgiving and Christmas holidays, and ended at the close of the season in March.

Close friendship bonds, which developed among the Varsity Swim Team members, extended beyond workouts and meets. After each meet the team met at local pizza parlors

for food and fun. Also, team members exchanged gag gifts at the Christmas party at Hudson Weichsel's house. The team was honored at other parties and dinners throughout the year. Coach Sorrells described the season as "great, because of the awesome senior leadership." Varsity Seniors included Captains Clay Stanton and Paige Wilbur, John Cottey, Leigh Lankford, Triste Percival, Scott Reynolds, Karen Rutledge, Richard Scoggins, and Ann Smith. "We're still ex!"

The 1984-1985 Wrestling Team:

WORKOUT ALL DAY

Let's hear it for the youngest team at HPHS. The wrestling team, coached by Tim Marzuola, practiced long and hard in preparation for competition. Captains Tom Slover and Doug Wall, and co-captains Patrick Smith and Pen Laird, led the team in spirit and in daily workouts. Practice was held in both the mornings and afternoons. Drills were practiced in the morning and in the afternoon full speed wrestling was practiced. Also, weight training and running composed the

wrestler's workouts. Like other HP sports, the season's home events were televised on Cable Channel 8. The wrestlers are divided into weight categories and wrestle within their weight classes. Joel Cowdry had the lowest weight class and the heaviest class is the heavyweight. Pen Laird, also a member of last year's team, went to state to compete in his weight class. The enthusiasm and energy emitted from these athletes guarantees this sport's future at HP.

Gymnastics

Determination and Skill: Keys to Gymnastics

The Scots gymnastics team made a name for itself as they displayed skill and dedication. Under the watchful guidance of coach Mark Sherman, the team traveled to its meets with a reputation of being one of the teams to beat. Senior Captain Anna Hampton led the girls team to a victory at Irving High School. They took third, fifth and sixth place honors at that meet. Senior Boys Captain Mark Nicolas led his team to victory at several contests backed up by the formidable Adam Foreman.

In order to stay in top condition, the teams met beginning at 7:00 every morning, and spent a good two and a half hours in workouts.

Spring Scots Bat Throughout Great Season

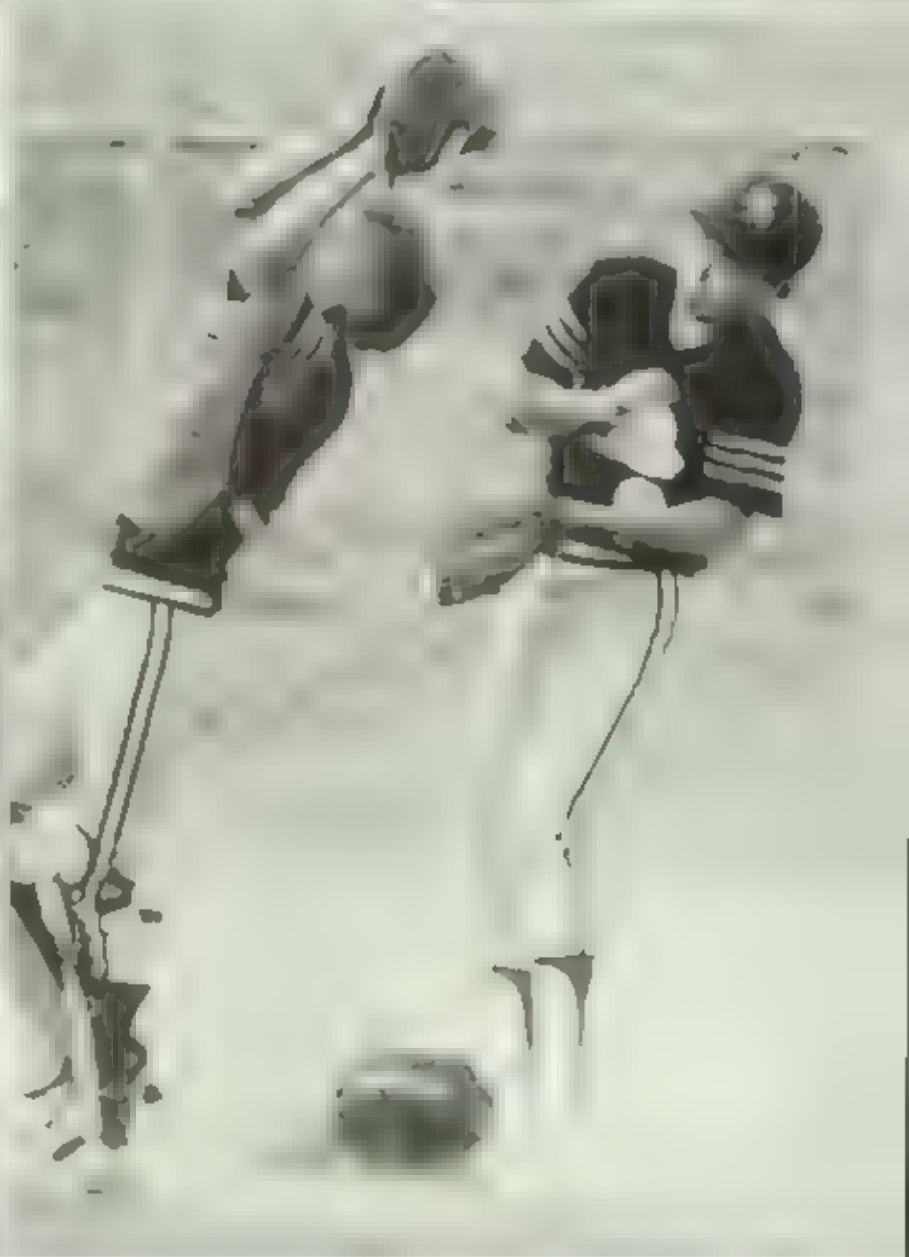

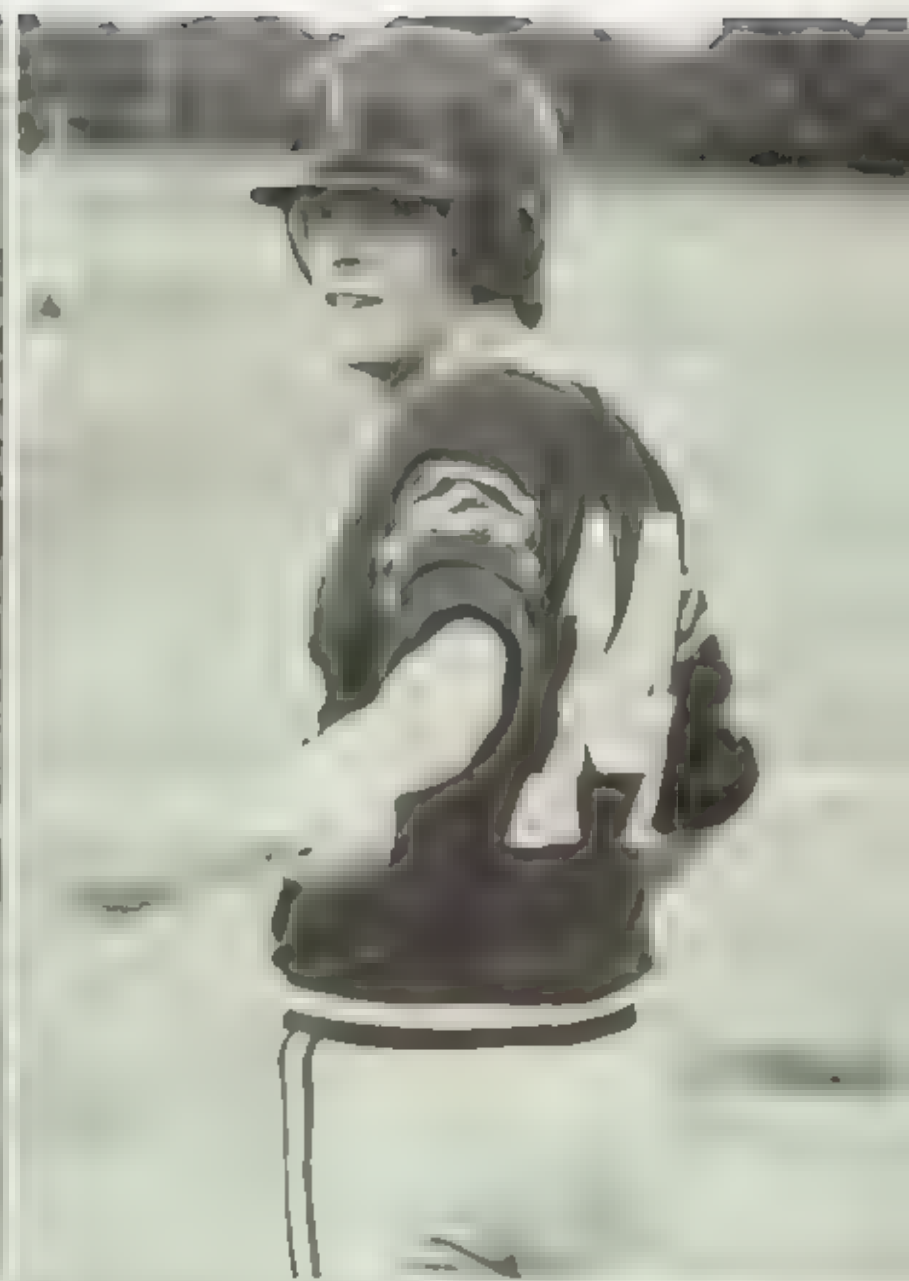

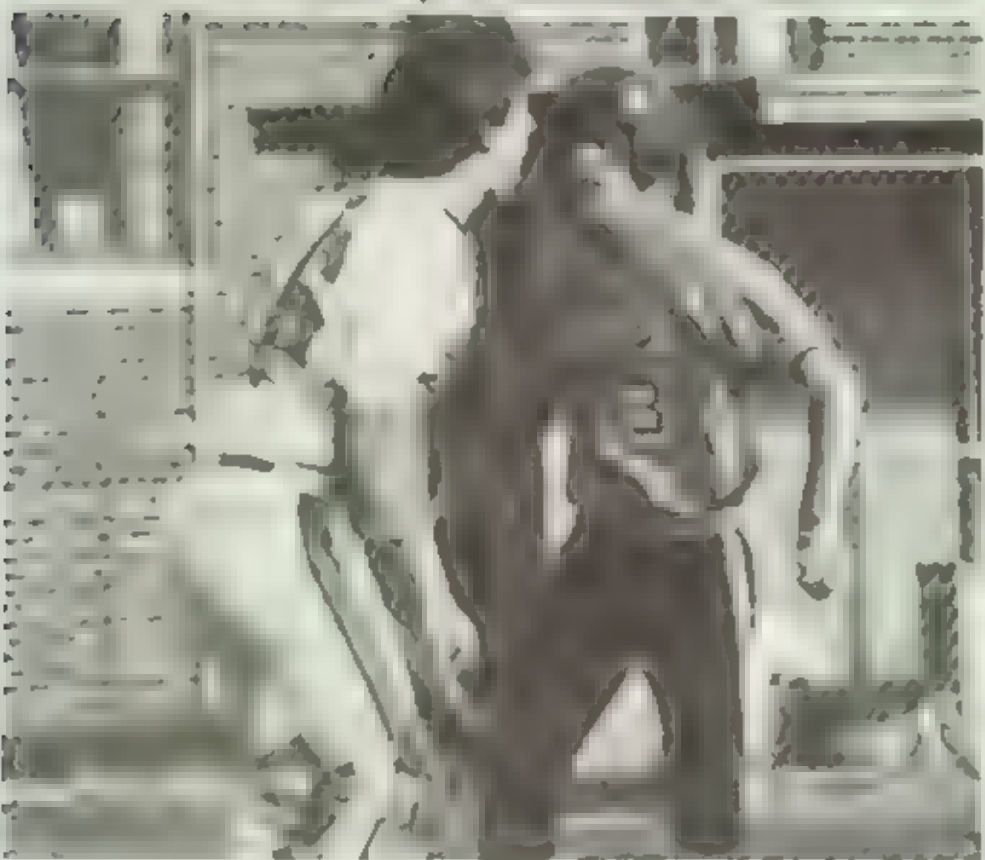

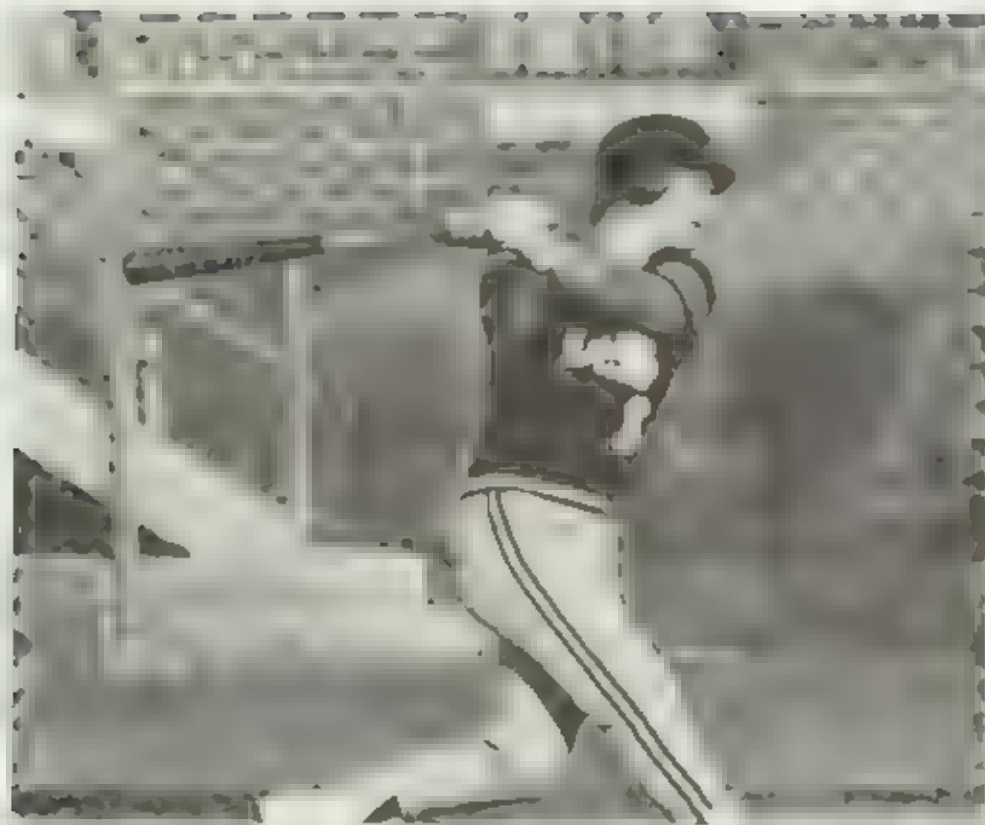

The Scots of the spring were once again aiming for the district championship. Under the guidance of coach Al Hawes, the team started their year with a successful pre-season. The Scots were led defensively by George Seay, Malcolm Showalter, Brad Huitt and captains John

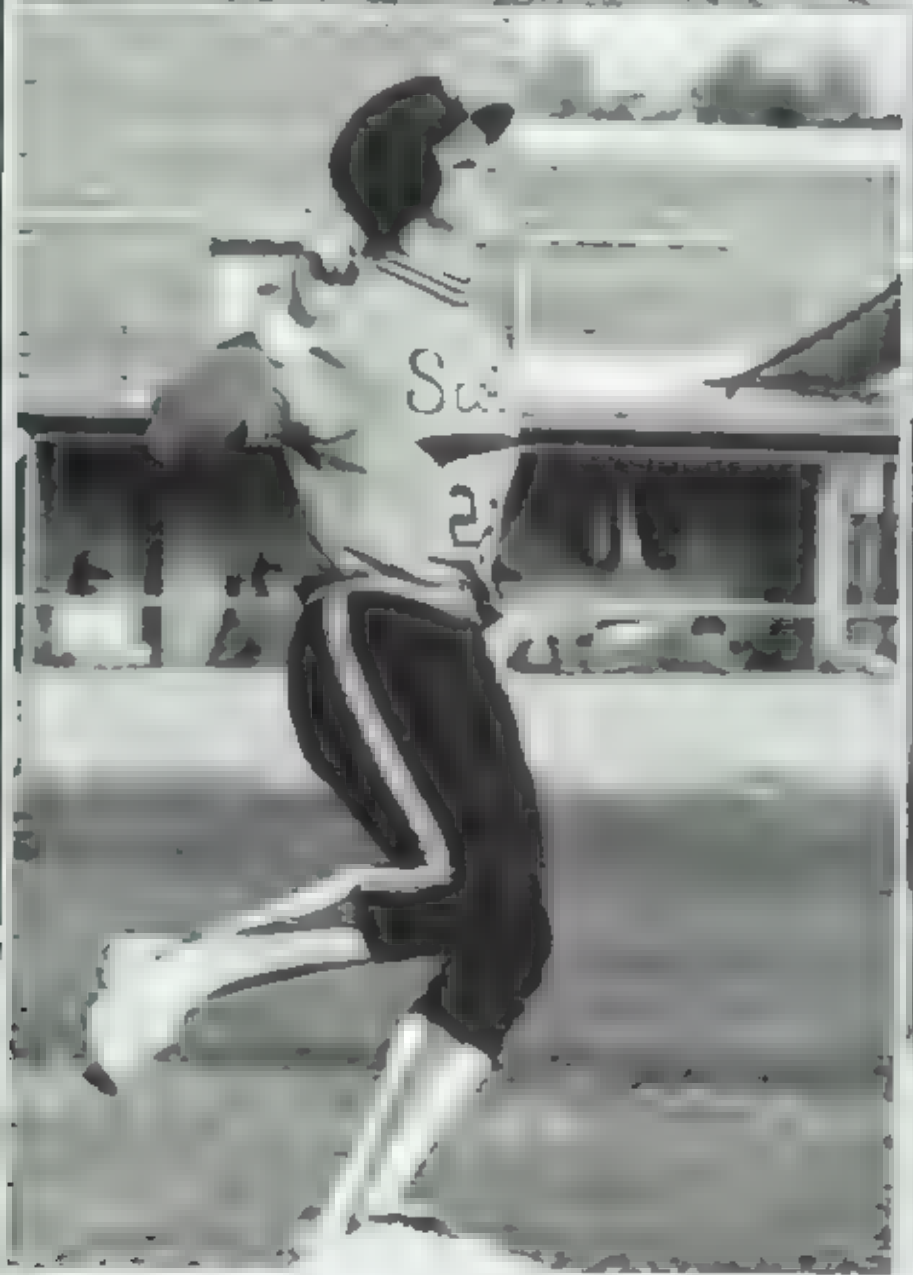

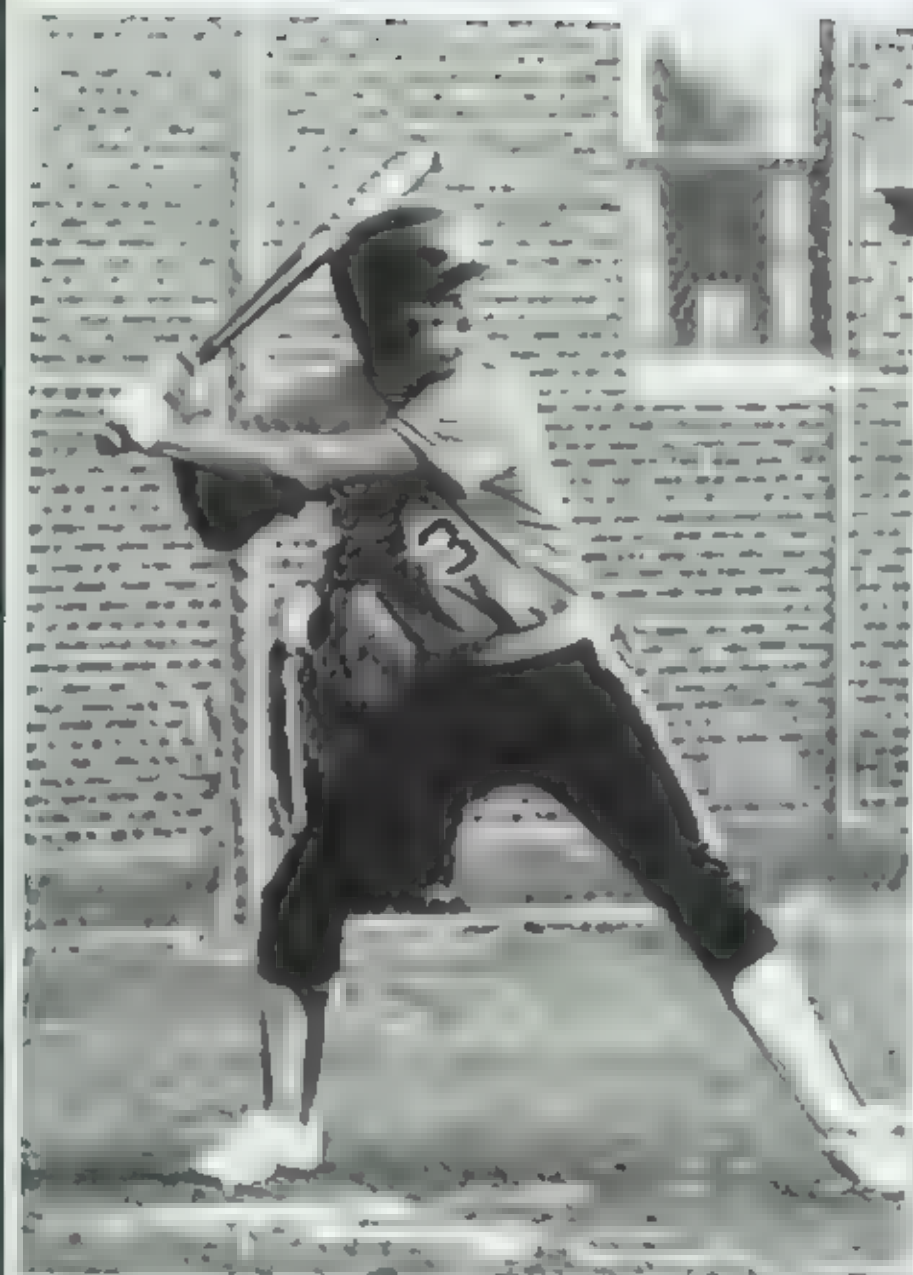

Presley and Jamey Plumlee. Pitching power was contributed by Steve Kraynick, David Smith, and David French.

Once again the Hardballers played in the Richardson and Carrollton-Farmers Branch tournaments. They opened their district schedule on March 19 against North Garland.

Girls Track Gets Off To Running Start

The 1985 Girls Track Team should be recognized for their outstanding season. They were led by Team captains Libby Lumpkin, LuAnne Staley, and Michele Taylor. Although the team slimmed down to sixteen girls, they again showed their outstanding talents. This year's team slogan was "Quality not Quantity."

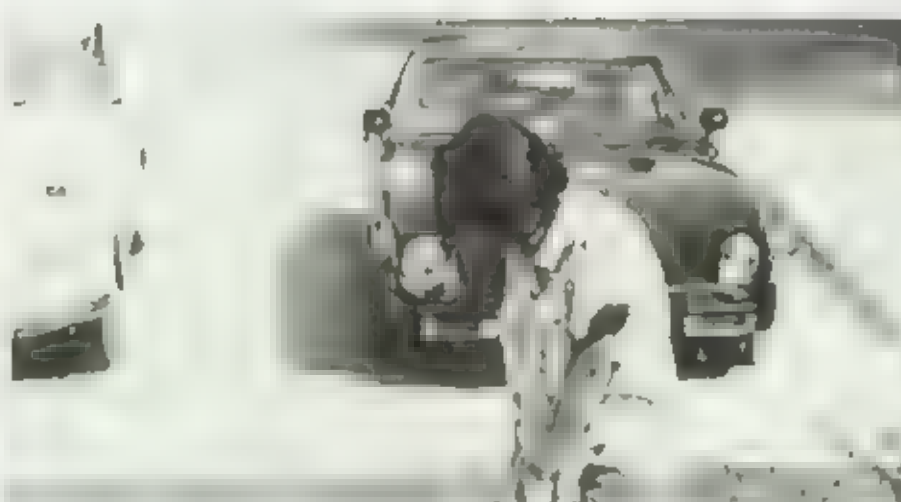

Golf

Boys' Captain Johnny Warren

Golfers Tee Off to a Great Year

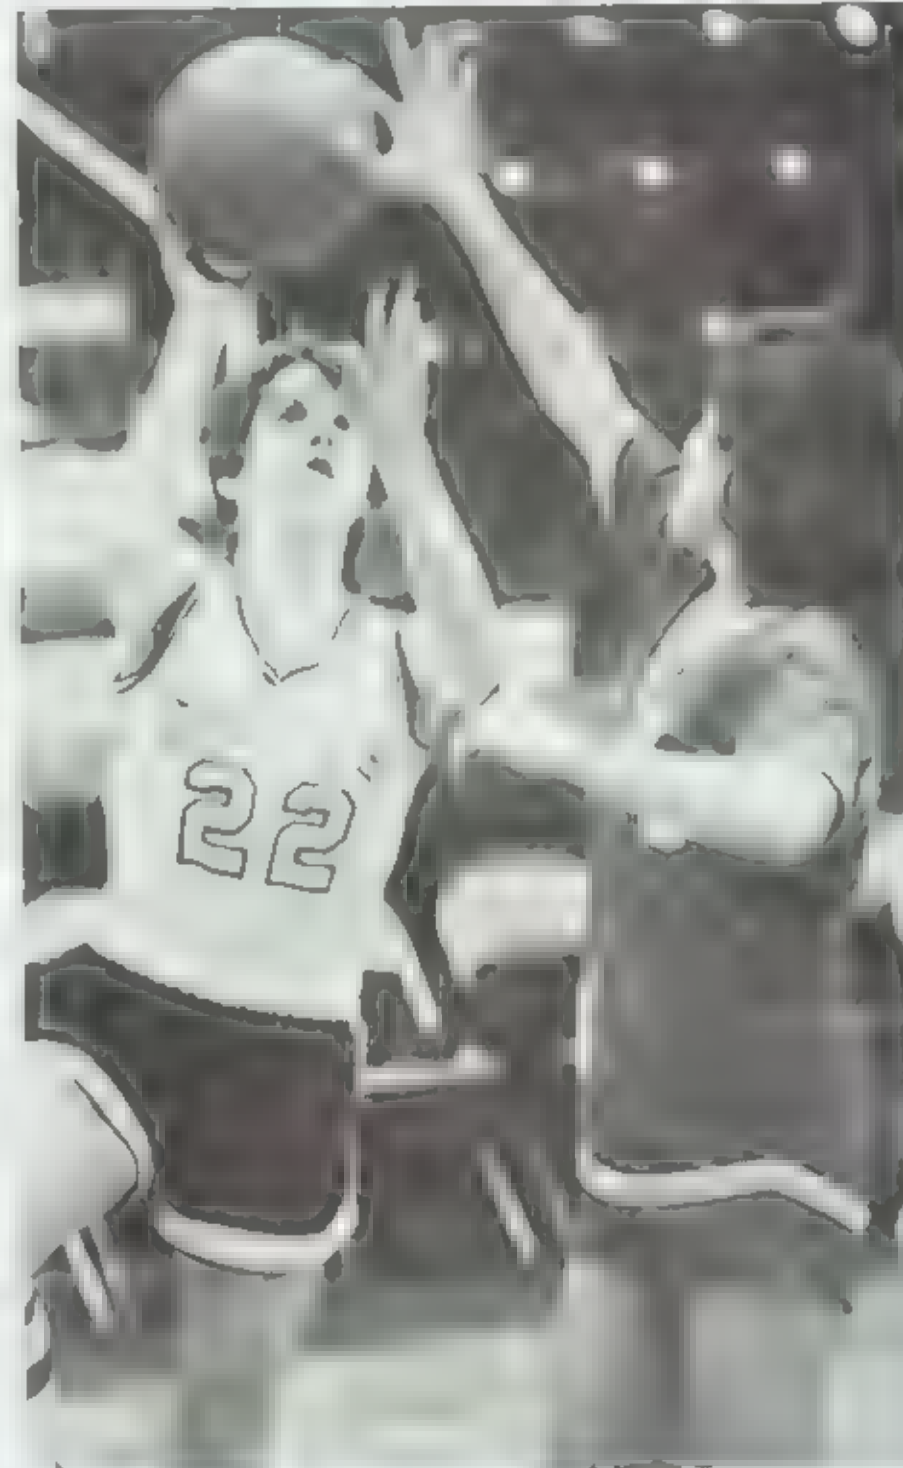

The 1984-85 Golf Season was a tremendous success. A large portion of this success is due to the team's unity and hard work. Numerous victories throughout the 84-85 season were due to the arrival of the new Coach, David Moore, and his golfing expertise.

The girls Golf Team, under the leadership of Captain Gina Bishop, had many outstanding performances in both Spring and Fall tournaments. Next

year the entire team will be returning to contribute their efforts in the 1986 season.

The boys Golf Team, led by Senior Carter York, also had a very successful season. With the help of outstanding Freshman, Micheal Cooper, and the dedication of returning letterman, Doug Jordon, the boys had a season marked by great improvement. The HP boys were regarded as Top Contenders in District 95A.

Girls' Basketball

GIRLS BASKETBALL SHOOT FOR TWO

In its second year at Highland Park, the girl's basketball team grew in popularity. The team was comprised of both freshman and sophomores and led by new coach Terry Burkhalter and assistant Debbie Hill.

The Junior Varsity included sophomore captain Erin Boydston, Captain Kathy Coe, Carolyn Filak, Jenny Greenberg, Lydia Hooten, Suzanne Phillips, and Mimi

Thompson. Also contributing to the JV squad were talented freshmen Katie Barklow, Katy Stone, and Laura Swanson.

Members of the freshman team included Leslie Davis, Laura Long, Anna Rice, Meredith Rodgers, Rachel Sandifer, and Jennifer Trulock. The teams were aided by manager Emily Patton. The Lady Scot Roundballers worked out in the mornings and their practice proves to be beneficial.

Booster Bunch

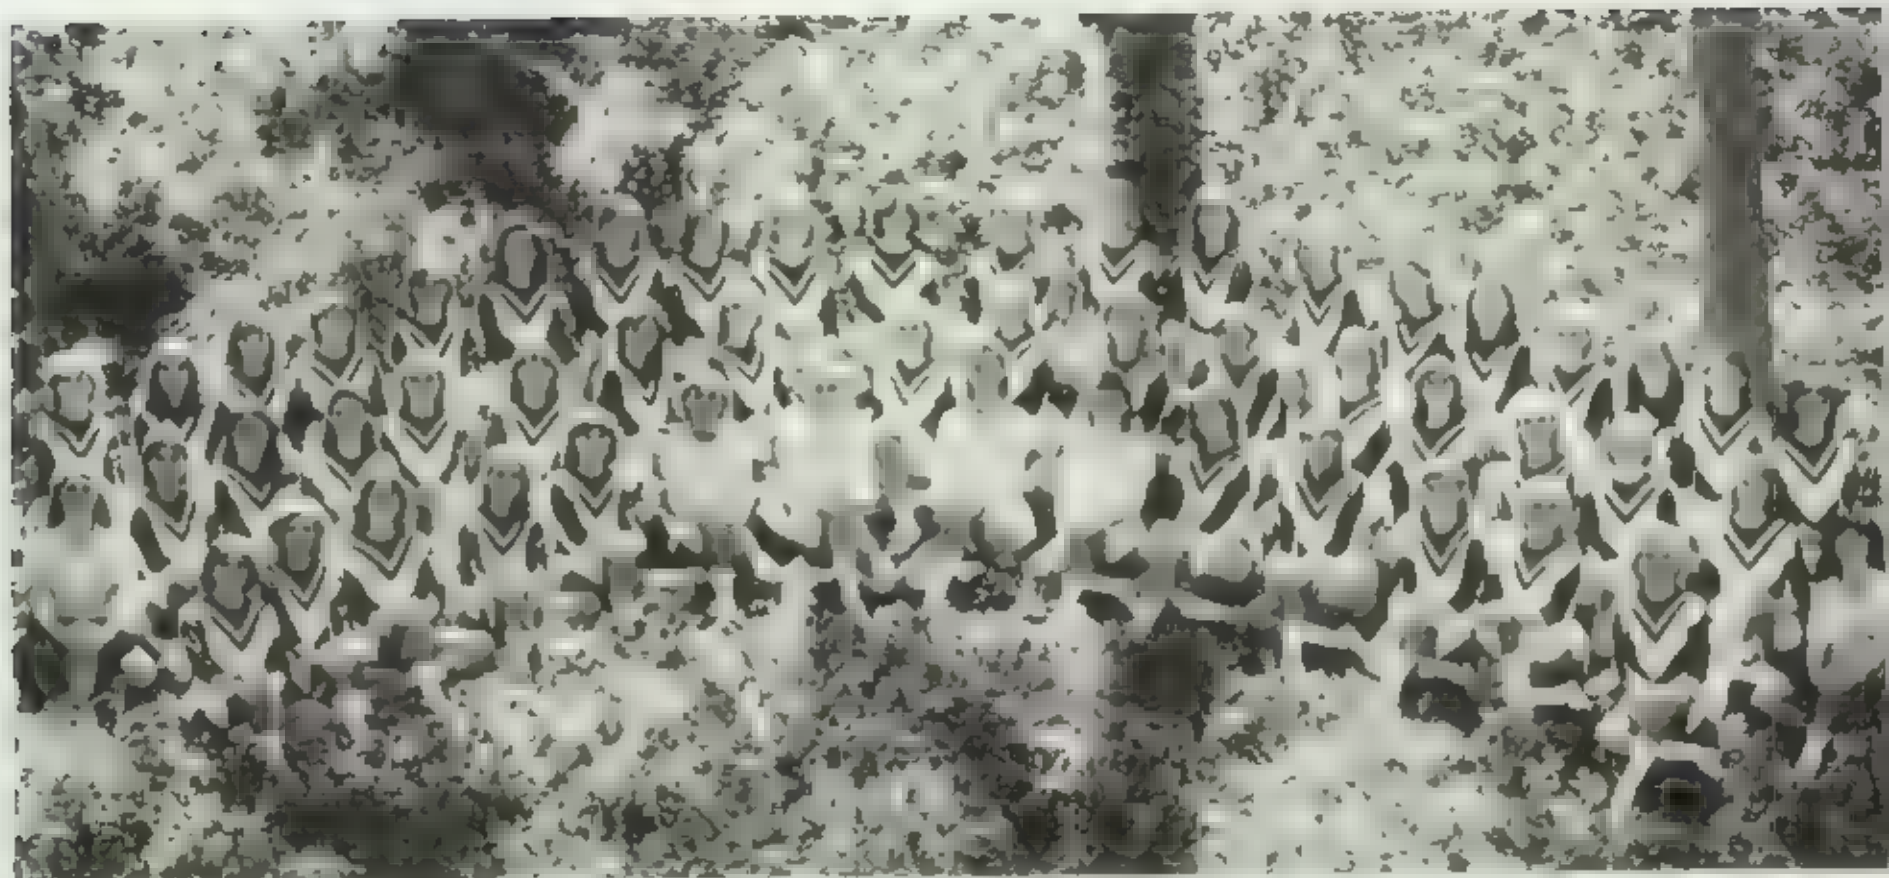

Booster Bunch Works Hard For Boys

Again this year, the Highland Park football team received an abundance of spirit from a special group of girls. Each of these "locker girls" decorated for a designated football player during the entire season. Each participating senior, junior and sophomore girl put in many hours and lots of care to help build the guys spirit. The projects on the schedule included decorating the players' houses and cars, filling bins of popcorn, delivering donut cakes, and baking lots of homemade goodies. Though not funded by the school as the Spirit Committee is, these girls deserve a lot of credit. The booster bunch was headed up by Seniors Sarah Murski and Michelle Streckmann who devoted many many hours to buying and painting spirit items and organizing the group. A special thanks goes to Katie Bywaters who designed and painted the run through signs that opened each half so colorfully

The basketball booster bunch started several years ago, and this year, Dee McStay carried on the tradition. Many girls helped in the effort of giving the guys extra spirit by decorating their houses and cars, giving Cathy Anne cookies, and decorating the gym with signs and balloons. The basketball booster bunch hoped that their extra efforts would be reflected in the success that the team enjoyed

Sonya,

"Love fades, Hearts grow cold," the cynics say
But not for us, dear girl From the beginning, it has been we two against
the world. Memories sweet. Memories glad, memories mingled with tears,
together we'll make it, our love will take us,
throughout the years.

Love,
Mom

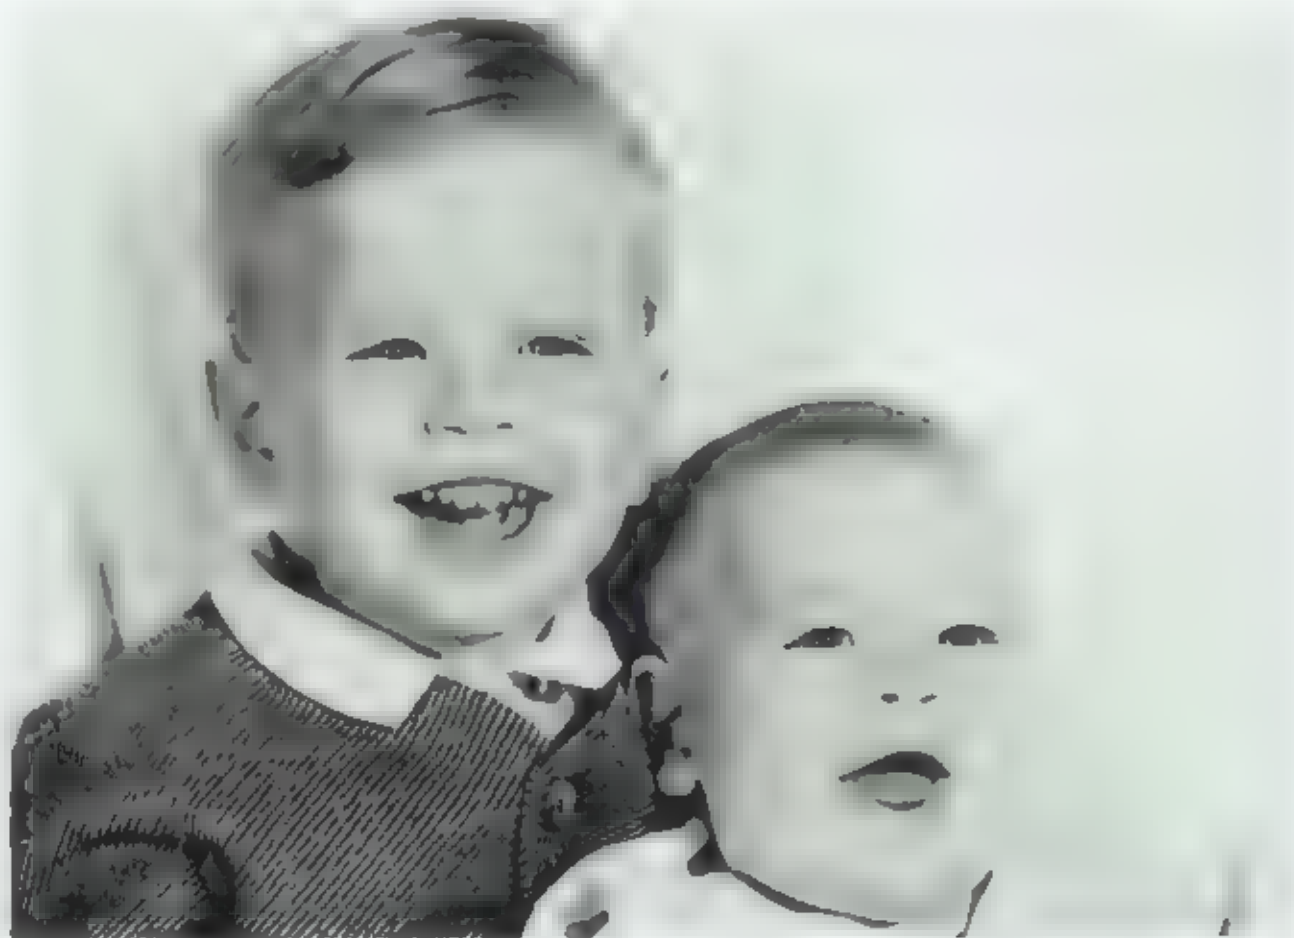

We present to you, world, Kenn!
Joseph Kenneth Harper III
We've done our best
He's turned out good
And now we rest,
As good parents should
Go get 'em, Kenn
Set the world in a spin
We know you can
You'll always win
Seek God's wisdom
In all you do
He wants your best
And we do, too

Congratulations to you and all your friends & classmates

We, the editors, would like to give a big **THANK YOU** to all our friends and family, and especially to Scott Wilson at Park Cities People, for all their time and patience in helping us finish the annual. We don't know what we would have done without Carla — all our last minute odd jobs. Thanks for always being so cheerful and encouraging when we needed it most! Leslie — thanks for entertaining the morning crew and picking up breakfast at Mickey D's!, (We're sorry Mrs. O'Connor gave you a hard time about all your men!) Doug and Rachel and Kelly were *lifesavers* when it came to last minute pictures and creativity. And, of

course, there is our beautiful, pregnant, newlywed sponsor, who was nice enough to share all her crackers, cookie dough, chocolate . . . ! Thanks for being patient with original, creative, talented, artistic, innovative, and *procrastinating* editors! A special thanks to Tracey and Erin for the only bit of sanity in the yearbook office! Mary and Wendy: You did a super job this year . . . but beware of what looms ahead! And by the way Leslie — we think you ought to take the scholarship at Tarleton State! Thanks for everytning!

Elizabeth & Courtney

to the end of our "clan,"
we just want to say:

We, the editors, would like to give a big **THANK YOU** to all our friends and family, and especially to Scott Wilson at Park Cities People, for all their time and patience in helping us finish the annual. We don't know what we would have done without Carla — all our last minute odd jobs. Thanks for always being so cheerful and encouraging when we needed it most! Leslie — thanks for entertaining the morning crew and picking up breakfast at Mickey D's!, (We're sorry Mrs. O'Connor gave you a hard time about all your men!) Doug and Rachel and Kelly were *lifesavers* when it came to last minute pictures and creativity. And, of

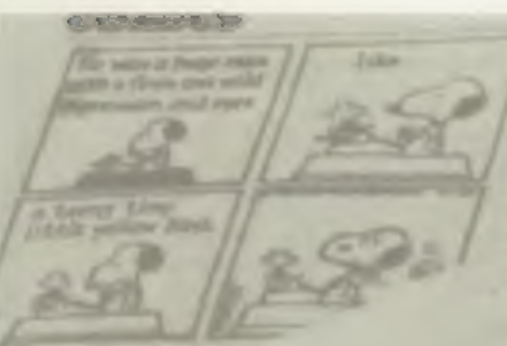

course, there is our beautiful, pregnant, newlywed sponsor, who was nice enough to share all her crackers, cookie dough, chocolate . . . ! Thanks for being patient with original, creative, talented, artistic, innovative, and *procrastinating* editors! A special thanks to Tracey and Erin for the only bit of sanity in the yearbook office! Mary and Wendy: You did a super job this year . . . but beware of what looms ahead! And by the way Leslie — we think you ought to take the scholarship at Tarleton State! Thanks for everytning!

Lecturers Tout the Advantages Of Speculating on Foreclosures

THE LURE OF A HOME, though sometimes can be a trap, is not the only lure for speculators. A growing number of well-to-do investors are turning their backs on the real estate market and looking for a more profitable way to invest their money. They are turning to the stock market, where they can make a fortune in a short time. They are also turning to the bond market, where they can make a fortune in a long time. They are also turning to the real estate market, where they can make a fortune in a short time. They are also turning to the bond market, where they can make a fortune in a long time.

THERE ARE THREE WAYS to speculate in real estate. The first is to buy a property and hold it for a long time. The second is to buy a property and sell it for a profit. The third is to buy a property and rent it out for a profit. The first way is the most common. The second way is the most profitable. The third way is the most risky.

David Hamann enjoy the loyalty of fans Darian Dreyfuss, Dee McStay, Chrissy Powell and Page Wilbur. Not only do the fans contribute to the exciting sport of basketball but the players do also. Mike McCartin adds his special touch with encouragement from the bench. Matt Baynham and Lex Matthews also add to team spirit and will play a large role on the team next year. Because of this year's awesome seniors, who compose the whole line-up, more fans are expected than ever before. The exciting fast break of Scott basketball attracts many fans and gives basketball its appeal.

Sports In All Ages

At HP, the school has many sports and all of these sports seemed to be treated differently by the student body. Not that sports have any less amount of determination of the team member, or that they don't work as hard, but the students seem to enjoy some sports more than others.

The first sport to be considered is football. This sport is one that has many spectators, even from the very beginning. During the football season, daring young 4th and 5th graders venture to the elementary schools to see their "steady" boyfriends. Some extremely brave youngsters

the game — but for people watching.

After these two big sports at HP others take secondary importance. This is undesirable because the remaining sports are just as exciting and as important to the players involved. Soccer is one sport that has taken off in recent years. Steve Stephens and Marlow Muldoon are major crowd-pleasers, as is Jimmy Holmes. Varsity girls soccer is highlighted by Polly Simpkins, Elizabeth Schooler and Carrie Bass. Another sport that has medium fan participation is baseball. Miss Anderson, the vice principal is an avid supporter of baseball as is Lara Atwood and Elizabeth Wylie.

Other sports that enjoy some fan participation are swimming, track and golf. These sports are somewhat exciting but the on-off action could turn away spectators.

The main energy of HP fans is drawn to football and basketball. The attendance of the spectators to both games and pep rallies shows what the spectators like — lots of action easy to follow rules and atmosphere — like the crisp clear nights on a football field or the heated, wicker atmosphere of a basketball court.

Growing Up In Style:

My! How the diapers, the Fashion! Dorian Dior or how rapidly from year to As a freshman Mock and P good, preppy of '85 were everyone felt changes, so d As the sopho to branch sophomore c They all we trying to fit exceptions, washed denim HP look, other there is little By their juni wearing differ to jeans, so they wear them every day. Some girls are favoring the Madonna look, like Sally Jones, Angela Miller and Missy Massey. Other girls are into the prairie look, such as Katherine Baker and Emily Farris. A few are into the formal look like Kara Murray.

By their senior year, girls wear almost anything. Estee Easley is really into purple. Sarah Murski is famous for her boots and jeans. Terri is famous for her jeans and the dingy grays. Many senior women, such as Polly Simpkins and Kara Wiley

are seen modeling clothes they have made in Home E making.

Jenny Bernet and Elizabeth Baker are seen with the prairie look a lot. New wave dressers such as Rachel Devlin and Michele Taylor, brighten our days with neon colors. Others, like me prefer the preppy, always suitable look.

August: A Month of Activity.

August ... here we have a favorite month among HP students. Football tycoons have been looking forward to this month in anticipation of long hot two-a-day workouts. Robb Boudreaux and Starke Taylor participated in those sessions with the team. Juniors Courk Kennington and Charlie Cash sweated it out like all of the juniors who played football and seniors Bill Clements and Fred Vehen tried hard for a starting position. Coaches Jim Castellaw, Scott Smith and head Coach Frank Bevers sweated along with their players. Also looking forward to August was the Spirit Committee. Amanda Turner and Kathryn Mahood were often found painting signs with Emily Bright. Also busy were Sarah Murski and Michele Streckmann, head of the locker-decorating team. Hi-Lites officers such as Jenny Bernet and Tiffany Slayton prepared for the year with the transfer party and the Big and Little sister picnic. Away from school, HP students got ready for the big day with days of shopping and last minute suntanning. Freshman newcomers Alicia Mock and Rhoades Baker tried to ease their tensions by getting to know upperclassmen. Finally the big day was here — with a bang and with air-conditioning — in some rooms!

September — here comes those days again. Babba McKinney started Young Life off with a bang with a participation skit. Brady Giddens and Doug Barnes continued to wrestle with homework and football. Freshmen tried to get to class without getting lost or constantly being tardy. Seasoned seniors like Paul Harmon, Lyle Hagen and Terri Armstrong opted to swing by the commons on their way to class. Margaret Marshall and Lee Roberts found it weird to be in school without Whit or Melinda watching over their shoulders. Senioritis hit seniors early — Winston Nelson and Jerry Melchiorde tried to sneak out early a few times only to be retrieved by Coach Holmes. Football was in full swing and girls flocked to the games and pep rallies with hopes of seeing Mike McCullough. College Night was a success and such smarties as Pam Wildenthal and David Coleman staggered around in the smart

who needed a safe ride home were invited to call 522-DRIV for transportation.

November ... brought cold weather but warm thoughts as Stacy Jacobs was announced as the 1984 Homecoming Queen at the student council-sponsored dance on November 3. Nominees included Stacy, Tina Bernet, Jenny Bernet, Molly Smith, Lee Roberts and Leslie McElroy. The football team continued to win their games but lost to the Hutch and then flipped into the
